Somerton Philada. P. D.

3. Did you attend or graduate from any other schools after leaving Carlisle? No Give names of schools and dates if possible

4. What is your present occupation?

Telegraph operator & signaller  
on the Phila & Reading R.R.

5. Tell something of your present home

I have been making my home at Somerton with Mr. & Mrs. F. Pims ever since I left Carlisle, in fact, I am considered as one of the family.

6. What property in the way of land, stock, buildings, or money do you have?

Five shares in Bld. Loan Association

7. Have you been in the Indian Service? In what positions? How long in each?

No

8. What other positions have you held since leaving Carlisle? I started in the service of the P.T.R. Co. as a crossing watchman - It was my first position - I was promoted to telegraph and signal department in April of 1910 after successfully passing all exams.

9. Tell me anything else of interest connected with your life:

I may add that, about a year after I left Carlisle, I developed cataracts in both eyes and the fact that, they were stationary made the future look very black to me, as I could not be operated on so long as my cataracts remained stationary. A dangerous operation in which I ran the risk of losing my eye sight for ever, was decided upon - and I am now most happy to report that, it turned out successfully - Wishing you success in the management of your grand institution; I am happy to be remembered at Carlisle. Respectfully yours.

Mr. J. A. E. Rodriguez,

Box 225, San Juan, Porto Rico.

My dear Mr. Rodriguez:

When your letter of June the 10th was received here I referred it to our Print Shop in order that a note could be made of the information contained therein regarding yourself. Since then the vacation months have necessitated changes in the office force at the Print Shop and evidently your letter had become mislaid. I give you these details because this reply has been too long delayed.

I am pleased to know that you have been appointed to a much better position since the time of our last report from you, and it is gratifying to know that you give so much credit to the instruction that was given you while you were enrolled here at Carlisle.

Regarding the enrolment of Luis C. Varela I can only say that the usual requirements will have to be complied with before he can be admitted. An amount of \$167.00

-2- Mr. J. A. E. Rodriguez.

will have to be deposited with me to pay for each year's tuition, and transportation from his home to Carlisle will likewise have to be provided.

Regretting that I cannot co-operate with you as is desired and assuring you of my continued interest in your welfare, I remain,

Very truly yours,

HKM.

Mr. M. Friedman,  
Supt. Carlisle Indian School,  
Carlisle, Penna.

My dear Mr. Friedman:

Some days ago there came to my office a young man by the name of Luis C. Varela to ask me certain questions regarding the School. I told him what the school was and also told him what my time in said school did for me. At his request I am writing this to ask you if it would be possible to admit him there free of any charge. While I have not known him for such a long time I am told by persons closely associated with him that he is a fine boy.

I note from your last catalogue that you have me as employed with the railroad company. I wish to state that for the last four years I have not been connected with said company but have been employed by the Insular Government of Porto Rico in the Office of the Auditor as an Expert Accountant with a compensation of \$2,000.00 per annum and a per diem of \$2.50 when on the road.

With best regards to old friends at the dear old place and the best of success for Carlisle.

Sincerely yours,

J. A. E. Rodriguez
