To Whom it may Concern:

I am advised by Arthur Finley, a former student of this school, that he desires to enlist in the Army as Brick Layer.

Arthur Finley was a student at this school from September 1, 1905 to April 6, 1908. The instructor in masonry in this school advises me that while a student Arthur was given full instruction in the laying of brick, plastering and cement work and that he feels that Arthur is fully qualified to do work of this nature, in fact somewhat better than the ordinary workman.

Sincerely yours,

Superintendent

For Ex-students' File.

Mr. Lamason:-

I received your postal last week and was glad to hear from you.

I am glad your boys are going to have a chance to demonstrate plastering and bricklaying as each trade is an art if it is done right. By working in different parts of the State, I have had steady work up till February, since then, I have averaged two days in the week.

Work opens up all through the Southwest about the first of April. Our scale is six dollars per day and time and a half for over time and double time for legal holidays and Sundays.

I hope your boys will make good Union men when they leave school and do all in their power to protect the craft.

Your friend,

(Signed) Arthur Finley.
