Mrs Nellie R. Wenny.
Indian School
Carlisle Pa.

Dear Mrs Wenny:

at last I have fully
made up my mind to let you
know that I am still living, altho
you may have heard I had left
Hampton last fall in order to
take up a position in Lake Village
Arkansas, I went as far as St Louis
where was forced to give up the
job for good reasons on the part
of the gentlemen who sent me.

I immediately turned towards
this city, having had some cor-
respondence with a concern here,
on arriving, my place had been filled
they thinking I had given up the
offer. So I fell back on the A.T.
S. Fe. R. R. Company and have
since been employed by them
in their shop. I have often thought
of writing to you and find out
how all my old friends are at
that dear old place. I suppose
Wallace is fatter than ever, tell
him he ought to see his "Bachelor"
uncle. I am gaining every year
I don't suppose you'd know me.

now with all this extra fat.
well; how is "Si" nori" and family.
hope they all been quite well, I
feel quite lost without the little
paper, for that-reason have not
heard or seen any of the
Cartists news lately.
some time ago I was asked
the address of James E. Johnson
not knowing could not tell. can
you tell me his where abouts if its
isnt too much trouble for you.
will be greatly obliged to you.
I do not know what I shall do
this spring, although Chautauque
is on my mind, but if Chas. E. Wag
ner has any good position in view

which no doubt he has, I believe I'll take it, had a letter from him some time ago with a list of questions to be answered, just wrote to him last night, have also had a letter similar to that from Washington, so I am rather expecting a reply of some sort soon.

So far have not come across any Carlisle people, altho there may be a few in this "little burg". We have such pleasant weather that one feels its nearing the good old summer time again, almost like Hampton weather. Hoping that both of you are well and enjoying good health. I remain as ever your friend
P.S. remember me to the boys, Eli Beardley
