Excellent reports of thrift and progress come from Mr. and Mrs. Roy Sice, ex-students of Carlisle, now living at Casa Blanca, N. Mex. Mr. Sice is employed by a Government surveying party. He gets good pay, which he and his wife evidently know how to use to good purpose, for they have a well-stocked ranch of 720 acres upon which is a new home just completed. They also have an abundance of fruit. Mrs. Sice was formerly Carrie Reid.
