Dear friend:-

I have your letter of the 25th inst and am glad to know you are getting along so well. I am always glad to get such letters as yours for they show that the work we are trying to do for the Indian is not in vain. I hope you will keep on in the good work you have begun and continue making the good record you have made for your self.

It will please your friends at Carlisle to hear from you now and then and to know how you are getting along. If in your letters, you can give me any information about any others of our ex-students, I will appreciate it as I am trying to find out what all our former pupils are doing.

With best wishes to you, I am

Your friend
