Dear Sir -

I in reply to  
your last letter which I  
received some time ago, I  
was indeed glad to hear  
from you. I am sorry that  
I couldn't answer sooner  
because I was so busy at  
the time I received your letter  
I have 60 acres in alfalfa  
hay and it keep me busy  
irrigating it every day. I tell  
you when a man has to  
depend upon water for living  
that means he has to do some  
hard digging.

In the spring time the farmers here are very busy making ditches all over these fields so as to carry the water what is needed to irrigate these crops another thing we do is that we cut our alfalfa hay three times in one season.

My wife and I has a new comes in our family it is the cutest little baby girl and we are both proud of it

I do wish to have the Red-Man mailed also to me

They have change my mail box number now instead of #212 it is now #44

I must close your letter hoping to here from you. Yours Truly  
Frank Andrew

Frank Andrews, an ex-student, now living at Wapato, Washington, writes: "It has been a long time since I left the school, but the Arrow is still a great help to me. I feel lost when I don't hear the news from Carlisle. I am well and happy and hope my friends at school are the same. I send my best regards to all of them."
