Dear friend; -

I have arrived home  
safely and enjoyed my trip  
and made good connections  
all the way and I am sorry to  
say that my mother is very ill  
and I hardly think that she will get  
any better so therefore I don't  
think that can return very soon.

The weather out here is very  
cold and on my way home I  
seen some snow on the ground.

My father said tht it may  
be just the same for only me to  
write and tell you that I arrived  
all right and so we will write  
to you later in other matters and  
this is about all I can say at  
presant.

From your friend  
Richmond Martin.

I have your letter of the 16 inst. telling me of your recent marriage. I had heard through other sources that it was your intention to take this step, and was informed that it was a good thing for you. I am also glad to know that you have a farm and that you are making a good living out of it.

With my best wishes for your continued success, I am

Dear friend:

It is a pleasure for me to write you a letter to tell you how I am getting along, I am getting alright I am in good health and always have been since I left Carlisle.

Now since I left school I have been working on my own farm and partly on my trade of painting. until late late last fall I have worked for the Onida Aluminum company at

Niagara Falls and also  
joined the lodge called the  
P. E. L. which is organized  
by the company and so  
I appreciate what Carlisle has  
done for me and Carlos  
also the paper which I  
receive from school every  
week makes me think  
of the good times I spent  
while I was at school.

I think a great deal  
of Carlisle and also friends  
and classmates, it is a  
great deal to me to receive  
the Carrow every week.

and hear of others that  
Gins makes me work all  
the harder and by that  
way I learn a great deal  
more.

I wish if you will send  
me the list of your banners  
and also the price of the  
Red Man and therefore I  
would like to know.

I shall close now with  
my best regard to friends  
and class mates.

Yours friend  
Richmond Martin

Febr. 24th, 1915.

Mr. Richmond Martin,  
Basom, New York.

My dear Sir:

I have received your letter of February the 23rd and have noted therein that you desire to return to Carlisle in order that you can take up work with a view of becoming a locomotive fireman. In reply I must state that at your age you can probably make more rapid progress if your work is done at some round-house or on the road, because in any event you would have to serve an apprenticeship.

I am pleased to know you have done well since you left Carlisle and I would like to hear from you again within a few weeks if you do not get a chance to take up your work where you will have actual experience.

Very truly yours,

HKM.

Supervisor in Charge.

Baron U.G.

Dear Sir

I have the pleasure of writing  
you a letter I want to ask in  
and would like to know whether  
or not I can be entered into  
school again for learning  
a trade and the trade only  
that is the Locomotive firing  
I have intented to learn  
and ~~we~~ been on the road  
a few times got a little  
experence at the trade and  
I wish if I can inter

Carlisle again and complete  
it if possible so let me hear  
from you and give me the  
full understanding.

I have got along nicely  
since I left school and always  
lived <sup>up</sup> to the Carlisle saying of  
stick and often think of my  
friends and classmates that  
I left at school therefore I  
close my letter with my best  
regards to all my school-mates  
and friends.

I am,
