My dear Friend:

This is to acknowledge receipt of the letter you sent me in response to my greeting for the Christmas time and this new year. I thank you for the same and for the words of appreciation you expressed therein. The staunch friends of Carlisle are the former students and it is gratifying to know that they give so much of the credit for their success to the lessons they learned here. Let me wish here that other such favorable reports will come from you, and that the time spent here will always prove to be one of your best assets.

Sincerely your friend,

HKM.

Mr. Friedman

Thanking every so much for the postal card which you have sent me in your letter and hoping you happiness as long as live. I am well and happy to see the new year, and thanking God for his power to let us see the new year come. I am working nights this week and about 11.50 last night the whistles and Church bells were ringing for joy as the old year past by and the new year come in to take the old year place.

Am sending my greetings to all the boys and girls and hoping there all a good success as Carlisle is turning out smart and intelligent young men and women. I would <sup>not</sup> have been in Ohio <sup>now</sup> if I didn't get a start from Carlisle.

Your Truly
