Dear Sir,

*Just a few more lines in reply to your letter. will say
I cannot speak veroy highly of your school. after
traveling all night, and nearly fatigued, was sent to
school and had a try out. which was not just or fair.
morever your school is not in tuch with my line of
business, and as far as I know, I really think that
the Carlisle school is the last place I would want any
of my relation to go to get an education*

As I have been questioned in new york city. I have at all times said if they any other possible way to have their children get an education. it would be best Carlisle school may be all right for some Indians. However I am sending my sisters children to the Lakewood Hight School. as they are doing fine. and I am willing to pay for it and I do pay and cloth them and on my part I am better off here in my office then doing the dirty work at your school.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
