My dear Mr. Washburn:

I thank you for your letter of the 18th instant advising that you intend to be with us for our Commencement Week exercises, and I assure you that it will give me pleasure to make your personal acquaintance during the week.

Referring further to your letter I have to advise that the Government no longer enjoys the privilege of securing transportation at reduced rates, so that no saving could be effected by placing transportation for your use from this end.

Hoping that nothing at all will interfere in the carrying out of your plans, I am,

Very truly yours,

Dear Sir:

I am going to try and be present at commencement exercises this month. It is nearly 11 years since I left the school and I have been trying every year to go back and see the dear old place once more and to see some of my old friends who are there. I am doing very well in my business, and am making good although this is our busy season I have made up my mind to go.

Now if you can send me a government rate ticket by Mar. 27<sup>th</sup> and let me know the cost, I will be glad to get it. Please let me know at once.

Respectfully Yours

Dear Friend:

I am writing you these few lines to let you know that I have taken another step upward in my trade by purchasing the Park Place Printery of my employer who owing to ill-health was obliged to sell. I am doing well and handle a large "job business" as this is a large manufacturing town and I contract the job work, I have two helpers and we keep busy all of the time.

Now if you can give me the address of Miss: M. Bergess a former employee I would appreciate it very much as

like to hear from her. It has been a number  
of years since I left Carlisle, but I hope to  
be able to see the school on next commencement

I will close this short letter with best  
wishes for a good Thanksgiving, I remain  
as ever, for Carlisle, first, last and all  
the time

Respectfully

Dear friend:

I am writing you these few lines to let you know that I am no longer on the Silver Creek News. I resigned a short time ago to accept the position of Manager of a new job office and bettered my self in every way. I am doing well at my new location and I hope to continue to do so.)

Col. Pratt was here a short time ago and spoke before a large gathering of ex-Carlisle Students, who were delighted to see him.

Any letters or papers sent to me

please send to me at my new address.  
please send the Arrow to me here as I think  
it must be going to my old address.

I will close now with best wishes to  
the Carlisle School in general and to  
you particular.

Respectfully Yours

My dear Mr. Washburn:

Having inquired further into the matter of securing a Diploma for you, I have come to the conclusion that it would probably be a very difficult task to secure all the signatures on the Diploma that should be noted on it to make it of value to you. The only other way I can see is to issue you a statement showing that you had completed sufficient work at this school to entitle you to a Diploma, together with such other information as can be gathered regarding your record here.

I am writing this for your information and so that you can advise me whether a statement similar to the one I have suggested would be of use or value to you.

With kindest personal regards, I remain,

Very truly yours,
