Supt. Carlisle Pa.

Dear friend,

Your letters came to me many times but as you see I am slow in answering. We were glad that you thought of us, and I would certainly enjoy to be there for a few days. And again! and above all I would certainly enjoy visiting my old friend! Mr Kensler, I settle down 9 years ago on my farm, "farming" and have certainly enjoyed every moment of those 9 years building up my farm, but still there

are more improvements,  
needed. I have with in those  
said years mentioned, raised  
few young mules-horses  
hogs, and all others that  
go to make up a farm.

I also raise quite a deal  
of alfalfa. I have a nice  
home, and a good farm, all  
under hog wire.

yours

Dear friend:-

I am writing to you again to ask you if you can send me a photograph of your home and surroundings. I am making a collection, for publication, of the homes of our ex-students and graduates and I would like very much to have a photograph of your home. If you have not one on hand to send me now, can you have one taken, unmounted? I will be glad to reimburse you if you will send me the bill with the photograph.

With best wishes for your continued success,

I am

Very truly yours

Superintendent.
