**Suggestions for Supplying the Information Requested on this Blank.**

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. M. Friedman,

My dear Mr. Friedman,

I am in a dilemma  
and hope I may be able to  
explain my situation.

I have learned that the  
woman who has always  
helped with my work when  
I have girls who go to school,  
can not come to us any more,  
and I am not able to get  
along with what the girls  
can do out of school hours.

This makes me feel that  
I must have some one

who can give all her time to  
housework. I am distressed  
to have written to you, asking  
for a girl, and now to write  
saying that I will not be  
able to take her; but trust  
to your goodness to under-  
stand my position, and  
to believe that I will await  
anxiously a word from  
you that I may feel that  
I am honorably discharged  
from my obligation.

Rosa has been a great  
comfort and help to us  
this summer, and we are sorry  
to lose her.

Yours sincerely,  
Clara R. Austin.

Dear friend:-

I have your letter of the 19th inst saying that on account of some changes in your other helper, you will not be able to take one of our school girls this winter. Your withdrawal does not put us to any inconvenience, it rather helps us out in our dilemma. We have only a very few good girls to place out this winter and were ~~finding~~ difficulty in supplying our good patrons.

I hope you will be ready to take one of our girls in the spring again.

Very truly yours,

Superintendent.

Dear Sir:-

I have your letter of the 14th inst. regarding the  
recent change in the name of the school. You will see by the  
to be one of our school. I am sorry to hear that you  
not put up to any extent. It is a pity that we are in  
me. We have only a very few more to go and I am  
and would like to see you in person. I am sure you  
I hope you will be able to do so.

Mr. M. Friedman,

Dear sir,

In reply to yours of Aug. 2, -  
I will send Rosa La Poine  
to Carlisle the 27th of this month.

She has been so valuable & so  
that we are sorry to have her go,  
and hope you will do the best  
you can for us in a girl for  
the winter. We shall be away  
from home the first two weeks  
of September; any time after that  
I shall be glad to meet the one  
you send; but shall be glad to  
wait a little later if by so doing  
you can send a better girl.

Yours truly

Supt. M. Friedman.

Dear Sir:-

I received

Your letter to day and  
also the blank. I am sorry  
to tell you the blank you sent  
before this one I did not receive.  
If so I would of answered.

I will be very glad  
to get the Arrow also the  
Catalog.

also I am well and happy  
getting fine.

One thing I ought to be thankful for and that is my health. I certainly am gaining my health back a gain. This summer I slept out of doors, and went out horse back riding, and got out of doors as much as I possibly could. I can work now and I am getting along just fine.

We are now having very cold weather. To night is the coldest night we have had since winter started.

To day I received some beautiful Christmas gifts from two girls in Philadelphia. I got acquainted with those two girls, while on my way home. They were on their way for a visit to the West.

There is no news of importance going on now, but we expect

To have a big time here  
Christmas.

I will now bring my  
letter to a close, as I am  
out of news.

I wish you all a  
very joyous Christmas  
also a Happy New Year.

From a Friend,

Rosa La Rose.

P. 700. Oak Lane, July 23. 1909.

Dear Mr. Friedman,

I have been perfectly satisfied with Rosa La Rose, and would be glad to have her remain with us for the winter. She says she wishes to return to the school.

Can Rose Bald Eagle be sent to us for the winter?

If not, what can you do for us? If you have any one who does not need to go to school, we can give her a <sup>comfortable</sup> ~~good~~ home and good wages.

Yours sincerely,  
Clara R. Austin

Pocatello, Idaho,  
April, 21. 1912.

Supt. M. Friedysa  
Carlisle, Penna.

My dear Friend:

Your letter of the 10<sup>th</sup> rec'd. And indeed I was very much pleased to hear from you once again. As to-day is Sunday I haven't any thing to do, but prepare dinner. And so I thought it would be a good time for me to write letters.

I have changed my place of work. I am now working for our Ex. Indian Agent, Major C. F. Caldwell. There are just three here to work for. and I find

2

the work very easy. Also  
very interesting as I do  
love housework. They  
seem to be pleased with  
every thing I do for them.  
And that means a lot.  
I try to be as neat and  
clean with my work as  
I possibly can. And to  
try and live up to  
what has been taught  
me at dear Carlisle.

I often hear from many  
of the Carlisle students that  
have gone home and  
are making good. And I  
for one intend to live  
up to Carlisle's Standard.

I rec'd. a letter last  
week from Mrs Louis J. Carpenter  
formerly Margery Te Lanning  
who now resides in

Washington. D.C. and says  
that she has a lovely home,  
also is happy and contented.  
Has all that she can  
wish for.

Emma La Vatta is at  
Ross Fork. Keeping house  
for her father. I haven't  
seen her over five months.

I am so glad that  
you straightened out  
Margaret's report. And  
many thanks for doing  
so.

Days before yesterday  
we had a very heavy  
snow storm. Yesterday  
was a beautiful day.  
And today it is so  
cloudy. The people  
say, this is the first year  
that they have had

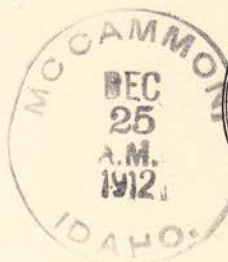

now during the month  
of Spring.

Mr. Friedman do you  
still send me the Carlisle  
arrow? I have not been  
getting it. I heard that it  
goes to Mr. Cannon, and  
they will not send it any  
further. Unless addressed  
here to Pocatello. I would  
like very much to get the  
arrow, as I like to keep in  
touch of all that is going  
on at Carlisle. Besides it  
gives one much pleasure  
in reading the arrow.

His letter leaves me  
well, happy & contented. I  
wish you all the best  
of health.

I will now close. Wish-  
ing to hear from you when  
most convenient. Your friend,  
Rosa La Rose
