Mr. Daniel C. Whirlwind,  
Wood, South Dakota.

My dear Friend:

I was pleased to receive your letter of August the 9th and to learn that you are devoting your time to farming. It is an occupation that should be followed by many more Indian young men because of the great possibilities offered. It is also the right kind of work to keep a young man in fit physical condition.

I have written letters to <sup>the</sup> three young men whose names you so kindly mentioned in your letter and it is hoped they will use the application blanks I am sending them to submit applications for their transfer to the Supervisor now in charge at the Rosebud Agency for his consideration and approval. Such further assistance as is required will then be given by the Supervisor and at his request from this end.

With best wishes for continued success in your work and hoping that you will keep us informed about yourself, I remain,

Your friend,

HCM.

Supervisor in Charge.
