Dear friend:-

I have your letter asking to return to Carlisle so you can continue your education here. I am glad to know that you think kindly of Carlisle and that you have ambition to want to learn more. I am sorry however that I cannot take you as a pupil now. The records here show that you are older than 23 years and I do not think it would be wise to admit as a pupil here one who is as old as you are.

Regretting that I can do nothing for you, I am

Very truly yours

Superintendent.

Superintendent M. Friedman,

Dear Friend:

It gives me the greatest pleasure that comes to me to hear from you. It gives me happiness and it makes me think about my school days at Carlisle.

Ever since I came back to the Rosebud reservation, I thank Carlisle Indian School, especially my school teachers for what they have done for me to help me to get a good education .

I am trying to start myself to have real worth and to have fine courage for the right , and to support my family. I have and live on 160 acres of land and am making use of myself and showing my Carlisle outing at farming.

Thanking you for sending to me greeting and best wishes and hoping that the New Year may bring to you happiness and a new lease of life is in my heart. Thank you very much that you still remember me.

I hope to hear from you and if my school teacher , Miss Michael is there to have an early reply.

Sincerely your Friend,

Henry Knocks Off Two.
