Dear Friend:-

I was great-
ly pleased, to except your kind
invitation, which you send
me. It would be a great pleasure
to make this trip. Not only this
but also to visit the old school
where I used to spend many
happy days, that has gone
by. But with my whole I hope
that you will be successful in
your undertaking, & accom-
plish things, which will be
a benefit to the pupils as
well as important's which will
increase the members of the

alumni Association. & that
it may grow stronger, for that
is a desirable proposition,
which is interesting. Not only
to our comrades. But it is
a matter of question, which
will give a great name
to our school, as well as
other or any thing that
is implicable to the
school. I will now explain
to you my standing.
I am sorry to say that I
am in a very poor con-
dition, & my family also.
& another thing I am very
slack in my financial
proposition & it is in -

possible for me to make
any statements where-
-thd or n's. for I am
unable to presene. will
you will have to ex-
cuse me. I will now
close.

Sincerely

Daniel M'lk.
