Er. Moses Friedman,

Superintendent, Carlisle School,

Sir:

The receipt of your letter of November 19, 1913, transmitting duplicate check for individual Indian money No. 13292, dated March 15, 1911, for \$5.87, on the Farmers Trust Company, payable to the order of Edward Eagleback, is hereby acknowledged. The check in question is herewith returned, and you are advised that before it can be approved for payment it will be necessary for the signatures of the applicant and of the Superintendent to be affixed and an affidavit of loss, as required by paragraph 2 of the Instructions on Form 5-266, to be furnished.

Attention is invited to the fact that the blank spaces for showing the name and location of depositary, date of check, and to whose order check was drawn, were not filled out in the bond of indemnity attached. A new bond will not be required, however, for the reason that the amount of the check is less than \$50. See paragraph 4 of Instructions referred to above.

Upon receipt of the check properly signed and approved, and accompanied by the necessary affidavit, it will receive further consideration.
