My dear Friend:

This is to acknowledge receipt of the letter you addressed to this School on February the 16th and to express my commendation of the effort you have made to remain at work so that you can be self-supporting. I am glad to know you are one of the growing number of Indian young men who are independent and I extend you best wishes for continued success.

I should like to hear from you from time to time, and if at any time you need assistance or encouragement your former school home is the place to apply for such aid.

Very truly yours,
