M. Friedman

Dear sir

I had received some of  
your letters but I went  
away so much & could  
not answer you but I  
hope you will kindly excuse  
me for that.

Now Mr. Friedman I would  
like to give you one  
question or 2 questions  
now first is. what is good  
the teacher. 2 2 what is  
good for show. now  
every year we go back  
Indian again & there  
are 100 teachers around

here at Smith's Agency  
but we could not be a way  
what people does while  
because every spring  
man came from east get  
some Indians to be Indian  
dress. the reason I said  
we go back to Indian  
again & I said ought to  
have any more teachers  
around here because  
no used to or any other  
teachers also and I was  
thinking that the President  
of U.S. to take away those  
teachers because no used  
for us. Now Mr. Friedman  
those 2 questions I would  
like to give the school.

What is good for the teacher  
Among Indians.

What is good for the how  
Indians I would like to  
hear from it those 2  
questions.
