Regarding the enrolment of the two boys mentioned in your letter, I regret to say that only the older one can be admitted. The regulations will not allow us to admit students less than fourteen years of age.

Herewith I enclose you several blanks. One of them may be used in submitting me an application for the enrolment of the sixteen year old boy mentioned in your letter and the other may be handed to some other desirable student. The applications must be approved by the Superintendent of your Agency before eligibility for enrolment is established.
