Dear school Father;

It has been nearly three years since I left dear old Carlisle, and during that length of time I have been striving to earn a little money, I have been interpreting here for the past two years at this agency, and I am getting along fine, but above all I thank Carlisle and you for what you have taught me while I was a student

and wish them success
in whatever they may
undertake to do, also
I would like the
Commencement Program

I have no news to tell
you and so will close
