Mr. Charles E. Burton Superintendent Santee Agency Santee, Nebraska.

Sir:-

In cleaning out an old safe which had not been used for some time, one of the clerks here found the enclosed patents belonging to Henry Jones and Mark Johnson, who were at one time pupils of this school. Will you please make whatever disposition seems best, of these two papers.

It is evident that these patents were never called for by their respective owners or we should have made a hunt for them.

Will you pleame acknowledge receipt of the above.

Very truly yours

Chief Clerk in Charge.
