Mr. Sam B. Davis
Superintendent Genoa School
Genoa, Nebraska.

Dear Sir:-

Replying to your letter of the 14th inst saying that you have placed tickets here for the return to Genoa of Rose Edwards, Eva Pable and Lucy Decore, I have to say that the tickets are here and the girls have decided to leave her on the evening of the 27th inst.

As Mary Sherman comes under the same rules as the other three girls, I cannot very well send the others and not her so I have arranged to send her to you at the same time.

Very truly yours

Superintendent.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Genoa, Nebr.

Nov. 14, 1916.

Mr. O. H. Lipps,
Supt. Indian School,
Carlisle, Pa.

My dear Sir:-

I have your of the 6th instant relative to the return of the four girls now in your school. The way our Superintendents are correcting these little matters is a source of pleasure to me, and an indication of team work heretofore lacking. A few children got into our school, just as some got into yours, who had no right to come. However, they have been returned and without appeal to the Office by any of the Superintendents concerned.

As to Lucy Decora, she enrolled here 1914 and has another year before completing her term of enrollment. The enrollment blanks was falsified. Both Dr. Richards and Superintendent Babcock knew Lucy attended this school last year, but they, of course, did not think of it when signing her application to go to your school. The reason I mention this circumstance is because, at the request of Superintendent Babcock and Dr. Richards I escorted Lucy to Pender, Nebraska, where we were all witnesses in a lawsuit.

Supt. C. H. Lipps--2

I am placing tickets for the return of Eva Pablo, Rose Edwards and Lucy Decora. We release all claims on Mary Sherman, Not that she is particularly bad, but on account of her inability to work in harmony with our head matron. I believe it will do Mary good to remain with Mrs. Ewing. She is a better disciplinarian.

Very truly yours,

Superintendent.

Miss Rose Edwards
Indian School
Genoa, Nebraska.

Dear friend:-

I have a letter from Irene Shoots who is now in one of our outing homes saying that you owe her Two Dollars. She tells me that when you were going to Genoa from Carlisle last fall, you borrowed this amount from her promising to pay her at your earliest convenience.

If you have had no money before this time, you will probably be able to earn some this vacation so that you can pay your debt. I wish you would do this at once. You can send the money to me so that I may know that you have paid your debt and I will place it to Irene's credit in bank.

Very truly yours

Superintendent.

Dear Irene:--

Your letter to Mrs. Denny comes to this office for attention. I have in this mail, written a letter to Rose Edwards reminding her of her debt to you and asking her to pay it at her earliest convenience. When she sends this money to me, I will have the amount placed to your credit in bank and notify you that it is here.

It is not the custom for the superintendent of a school to help the pupils collect debts contracted among themselves without any authority from him but I feel that in this case you were new and did not understand that you were doing this at your own risk, so I am going to try to help you.

I hope that you are getting along well and enjoying the outing. With my kind regards,

I am

Very truly yours,

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)
