Mr. Jacob J. Asher,
Box 35, Wakpala, S. Dak.

My dear Friend:

I have your letter of July the 14th, containing the information that you are planning to return to school this fall. I am pleased to know that you are making such plans, but permission cannot be given you to devote all your time to the work in your trade. It has been learned by experience that boys become better prepared for work in their trades if they take up academic work in connection with their practical work in their trades, and only under those same conditions could you be received.

If you desire to bring other students to Carlisle with you all arrangements will have to be made thru the office of Superintendent McCabe. Such assistance as is required will be given you there.

Very truly yours,

HKM.

Mr. J. J. Ascher,

Wakpala, S. D.

My dear Mr. Ascher:

Replying to your letter of the 1st instant relative to your check No. 7573, dated June 10, 1909, for \$1.68, I have to advise that the evidence shows that this check was mailed to you on June 10, 1909, to close your account but it appears that it has never been cashed. As a consequence of its not having been cashed, we are put to quite a good deal of trouble in reporting it every three months to the office at Washington. We wrote you regarding this check in order to have you cash same if it was still in your possession in order that we would be caused no further trouble in regard thereto.

If this check cannot be found, according to Government rules it will be necessary for you to give a bond for twice the amount of the check in order to protect the Government in case the check is ever cashed.

Please look the matter up further and if you can find the check, I would thank you to cash same or return it to us and we will mail you its equivalent in postage or cash in order that you may not be put to any expense of having the bank collect same.

Dear Sir:

Check No. 7573, amounting to \$1.68, drawn in your favor on June 10, 1909, is still outstanding and is causing us considerable trouble. Will you please look into the matter and advise me if you still have this check in your possession? If so, I would greatly appreciate it if you would cash same or send it to me properly signed and endorsed, and I shall be glad to return you the cash or postage to cover.

I am enclosing herewith a franked envelope for reply which requires no postage. Please give this matter your early attention and thereby greatly oblige me.

Yours very truly,
