M. Freidman, Supt.

Dear friend:-

I presume you will be surprised to hear from me, from so far a country as South Dakota. I have changed my location recently from Buck Creek Indiana, and now I am in business for myself here in Morristown.

I am in the Photograph business and at the same time I have a part interest in a general Hardware Store, as you will see by the Advertisement I herewith enclose. Business is realized to a certain extent, however the business is rather slow but we are doing quite a business at the present time. We are about to build more to our place of business and we intend to stock up more heavily and in connection we are going to add a line of general merchandise, and then I think that by the time we have built on and stock up, we will be ready for the people.

Well Mr. Freidman How is the school getting along since I left there? Things are about the same I reckon.

I suppose you will be rather surprised to hear that I am married, and have joined the circle of "BENEDICTS". However I never shall forget dear old Carlisle; and for all she has done for me while I was there.

Would you favor me by sending the "ARROW" to my present home, Morristown? I shall be very glad if you will do me this favor.

Will now close with best regards to yourself and Mrs. Freidman, and to the dear old Class of "1911". Hoping to hear from you in the near future, I am,

Yours very respectfully-

### Wm. Zahn Changes Business.

W. Bennet Zahn writes from his new home in Morrystown, S. D. While continuing his old work as photographer, he has entered into partnership with Messrs. Stevens and Wells, hardware dealers, doing business under the name of The Steven, Wells & Zahn Hardware Co. In order to meet the demands of their trade and better accommodate their large stock of hardware, they are erecting a large warehouse and also building 50 feet in the rear of their present place of business. Mr. Zahn was one of our best students while here, and we are glad to know of his continued and deserving success.

1910

William Zahn left last Monday for his home in South Dakota. He made a splendid record at Carlisle, both as a student and as a gentleman. We wish him success. 1909

William B. Zahn sends a subscription to THE ARROW and the Craftsman from his home in Buck Creek, Indiana, and asks to be remembered to all his friends here, especially to his old classmates. 1909
