Mr. Henry K. Fox,

My dear Sir:

I have noted the request that is contained in your letter of February the 28th, but because there are no funds available from which the assistance you suggest can be given you I do not see how you can be helped from this school.

In view of the fact that you own property in the state of Washington your request for assistance should be addressed to the Superintendent who has jurisdiction over the Indians at your home. If a loan cannot be negotiated it may be possible to arrange assistance in some other way from that end.

Regretting to hear that you have become indisposed, I am,

Very truly yours,

HKM.

Supervisor in Charge.

Mr. Friedman:

Supt. of Ind. Schools.
Dear Sir:

I want to let you know my conditions, to see if you could help me in any way. I am troubled with Epilepsy which is caused by over exertion or working too hard. if I was to lay off from work I could not keep my family in need.

I wonder if the government could send me some place to recover. if I had the means to stop work for a few months maybe I would recover. I have land and a deed to it but it is in the state of Iowa. nobody here will loan a cent on it. Send me information please. Yours truly

Henry R. Fox

Mr. Henry K. Fox,

Box 101, Knoxville, Illinois.

My dear Sir:

Noting in your favor of the 21st instant that you are anxious to secure work in the Ford Motor Company's factory in Detroit, Michigan, I must state in reply thereto that when I took the matter of sending young men from this school to the factory into consideration with the officials of the Ford Company it was agreed that only Indians selected here and under the jurisdiction of Carlisle be given the privilege to take the course that is offered for students in the factory. In view of such an agreement I am not free now to recommend you for the work you desire to take.

Very truly yours,

HKM.

Superintendent.

Mr. Lipps.

Supt. of Indian School
Carlisle Pa.

Dear Sir:-

I am an ex student of Carlisle and now reside here in Knoxville Ill. I am paying for a place here on the installment plan.

I have no professional trade but am handy. I am writing you for a favor and that is this:

Can you help me in getting a position at the Ford's Automobile Factory in Detroit Mich. Will you write them and recommend me? There is no work of any kind here and my situation of maintenance is serious. Let me know please if there is any possible show. I have faith in you for this favor. Write them and let me know.

Yours Truly

Mr. Henry K. Fox,

Box 55, Knoxville, Illinois.

My dear Friend:

I am submitting the letter you addressed to me on the 5th instant, to which was attached a communication from a physician who claims he can effect a cure in your condition, to the Office of Indian Affairs at Washington because there are not available here any funds from which assistance can be given you.

You reported to me in March of last year that you own eighty acres of land on the Spokane Reservation in Washington. It seems to me that had you applied to the Superintendent of the Spokane Reservation for aid you could have been assisted ere this date.

Regretting, however, that I am so situated that I cannot be of help to you, I am,

Very truly yours,

HKM.

Supervisor in Charge.

Henry K. Fox.
