Mr. Juan M. Herrera,
220 West Simpson Street,
Mechanicsburg, Pennsylvania.

My dear Sir:

After I had heard from the Mescalero Agency in regard to your proposal that your sister Josephine be enrolled at this school the entire matter was referred to the Commissioner of Indian Affairs at Washington, D. C. On May the 25th a reply as is copied below was addressed to me by the Office:

> "Answering your letter of May 12 with reference to the enrollment at Carlisle of Josephine Herrera, you are advised that in view of the fact that this girl has school advantages at Mechanicsburg, where she has been living with her brother, the Office does not wish to take her out of the public school and place her in a Government school unless there is some good reason for doing so which does not appear in the correspondence enclosed; besides the required information as to her age and degree of Indian blood is not shown. Therefore authority for her enrolment at Carlisle at this time is denied. Enclosures to your letter are herewith returned."

In view of the decision it will not be possible to consider further your request that permission be given your sister to enroll here.

Very respectfully,

Superintendent.

HKM.

Mr. C. R. Jefferis,
Superintendent, The Mescalero Agency,
Mescalero, N. M.

My dear Sir:

Juan Herrera, who resides at Mechanicsburg in this state and with whom his sister Josephine is now staying, has requested permission to enroll her at Carlisle. In view of the fact that you could not recommend a younger brother of the Herrera boys for enrolment here last fall I desire to be advised whether an exception could be made in the case of the sister and whether it would meet with your approval to have Juan's application referred to the Office at Washington.

As the girl is just eleven miles from Carlisle and no one else would have to be deprived of getting an education here if she is enrolled no objection to her admission could well be interposed, but before any further action is taken it will be necessary to consider your recommendation in the case.

Very truly yours,

HKM.

My dear Sir:

In reply to the letter you addressed to Mr. Meyer at this school on the 20th instant relative to the enrolment at Carlisle of your sister Josephine, I must state that we can probably cooperate with you later as you desire we shall, but before any further consideration can be given your request the recommendation of Superintendent Jefferis in the case should also be on file here.

The liberty has been taken to write to your Superintendent about your request and just as soon as a reply is received from him you will be advised.

In this connection I can state that your sister may be enrolled for a two year period if permission to enroll her at all can be secured, but under those circumstances she would not be entitled to receive transportation home at Government expense when her period of enrolment had terminated. It is only after the required three year

period of enrolment has terminated that transportation at Government expense is provided students going to their homes.

The Superintendent,

Dear Sir:

In reply to your letter of April 21st, relative to the application of Juan Herrera for the enrollment, at your school, of his sister Josephine, you are advised that, so far as this office is concerned, there is no objection to the girl attending the Carlisle School. The Herreras live near this reservation, but they are not Mescaleros and this office exercises no jurisdiction over them. That a number of applications of individuals of Pueblo blood for enrollment at Carlisle have been forwarded in the past is due solely to the fact that these individuals have lived in this vicinity and found it convenient to transact their business through this office.

Very respectfully,

My dear Friend:

I have noted what you say in your letter of August 28th, and am pleased to know that you intend to return to Carlisle. As there is yet room here to accommodate additional students, I enclose you blanks upon which applications for enrolment may be submitted to me. However, you should not take any action without consulting Superintendent Jefferis. He will give you such assistance as is required. If I can assist you further from this end please let me hear from you. If a party of sufficient size can be secured I shall not object to having you detailed as escort. That is a matter, however, which will have to be arranged by your Superintendent.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Fort Apache Indian School,
Whiteriver, Ariz., Dec. 30, 1913.

Mr. M. Friedman,

Superintendent Carlisle Indian School,

Carlisle, Pa..

Dear Mr. Friedman:

Some days ago, I wired you regarding the whereabouts of Juan Herrera and you replied that he was enrolled at Carlisle, so I take it for granted that he is either with you at the school or where you can get him.

The facts are these: while at Mescalero last summer, he seduced Miss Bartholomeau, small boys' matron at that place. Later, Miss Bartholomeau was transferred to the Fort Apache School and has been acting as small boys' matron here since September. It has recently been discovered that she is pregnant and has been so since June. It will therefore be necessary that she be married to Juan Herrera with the least possible delay.

She will leave here for Wichita, Kansas, on January 2 and should arrive in Wichita on the afternoon of the 4th. Juan should be there as soon as possible after that date.

If Miss Bartholomeau were a bad girl, I would not go to any trouble or put you to any on her account. She is not. She is weak and lamentably ignorant but she is not bad. She has been an exemplary and efficient employee here and I regret to lose her. If favorable circumstances should arise later, I would be willing to give her employment again. I am very deeply grieved, of

course, for I have been much interested in her welfare ever since it was necessary for me to make an unfavorable report on her work when I was supervisor, and when I found out that she profited by her lesson and made special improvement.

Now I will ask you to tell Juan Herrera what he will have to do. I am quite sure that he will go to Wichita without my invoking the aid of the law but I stand ready to compel him to make the little reparation he can if he should be reluctant.

I feel sure of your support in this matter and I thank you, very much, for the trouble I know you will be very willing to take in order to help in the righting of a great wrong, so far as such a wrong may ever be righted.

Very sincerely yours,

W. M. Peterson,

My dear Mr. Peterson:

I have your letter of December thirtieth, and regret that Juan Herrera should have taken advantage of Miss Bartholomeau in the way you say and gotten her into trouble, during his recent visit to the Southwest.

I have just had him in my office with his brother and the disciplinarian, and I told him he could do one of two things, that he could either go to Wichita, where this girl has just gone, and straighten the matter out at that end, or that I would have him looked up. He indicated that he would prefer to go to Wichita. I am arranging for him to leave on the 5:41 train this evening, and am sending an attache of the school with him to Harrisburg, to see that he gets on the west bound train. I shall also have a letter handed to the conductor asking him to prevent Juan's leaving the train at any point.

He states emphatically that he was not responsible for the girl's trouble, but from the way he has conducted himself during the past three or four months, I have very little faith in his word. I gave him permission to go

to his home for the purpose of helping his father last summer, and I understand from his brother here that he gave his father no assistance. He was paying ardent attention, while he was under the outing, to a girl who lives in Mechanicsburg, Pa., and who, as far as I know, comes from a good family. He wanted to go there before leaving for the west, and I refused him permission. I feel obliged to write to this girl's parents so that she may not be taken advantage of.

I hope this young man gets to Wichita and that the matter is satisfactorily adjusted.

Very respectfully,

MF:SR

Mr. John S. Keenportz,

Dear Friend:

I send you herewith copy of a letter which has just come to me from the Superintendent of the Fort Apache Indian School.

I understand Juan Herrera has been paying attention to your daughter, and that she has reciprocated that sentiment. I am sending him to Wichita this evening on the 5:41 train and hope he gets there.

I do not wish any harm to come to your daughter and I, therefore, advise you under no circumstances to allow her to meet or see him again. I know the character of this young man and I am convinced that he is not worthy either of her or your consideration.

I write you this to give you the facts because it would not surprise me if he in some way managed to get back to Mechanicsburg in an attempt to renew his former contact with your family. It is needless for me to say that I believe what Mr. Peterson says.

I shall also have a letter handed to the conductor asking him to prevent Juan's leaving the train at any point.

He states emphatically that he was not responsible for the girl's trouble, but from the way he has conducted himself during the past three or four months, I have very little faith in his word. I gave him permission to go

to his home for the purpose of helping [illegible] summer, and I understand from his brother here that he gave his father no assistance. He was paying ardent attention, while he was under the outing, to a girl who lives in Mechanicsburg, Pa., and who, as far as I know, comes from a good family. He wanted to go there before leaving for the west, and I refused him permission. I feel obliged to write to this girl's parents so that she may not be taken advantage of.

I hope this young man gets to Wichita and that the matter is satisfactorily adjusted.

Very respectfully,

Conductor,

Pennsylvania R. R. Train No. 1021.

Dear Sir:

Juan Herrera, the Indian who will be placed on your train this evening, is not to stop off en-route to the point of destination, Wichita, Kansas.

Therefore, I would thank you to use every precaution possible so that he will not leave the train before arriving at Chicago.

Assuring you that your assistance will be a favor, I am,

Very respectfully,

My dear Mr. Friedman:

Please accept my heartfelt thanks for your prompt and efficient action in the case of Juan Herrera. A telegram from him in Wichita announced his arrival there. I do not think he could induce the telegraph company to lie, even if he is such an adept himself.

With kindest personal regards, I am,

Very sincerely,

Miss Bartholomeau,

622 S. Fern St., Wichita, Kans.

Madam:

For your information I submit below a copy of a letter I addressed to Superintendent Peterson on Tuesday, January the 6th. I also enclose herewith the communication you requested me to hand to Juan Herrera.

"I have your letter of December thirtieth, and regret that Juan Herrera should have taken advantage of Miss Bartholomeau in the way you say and gotten her into trouble, during his recent visit in the Southwest.

I have just had him in my office with his brother and the disciplinarian, and I told him he could do one of two things, that he could either go to Wichita, where this girl has just gone, and straighten the matter out at that end, or that I would have him locked up. He indicated that he would prefer to go to Wichita. I am arranging for him to leave on the 5.41 train this evening, and am sending an attache of the school with him to Harrisburg, to see that he gets on the west bound train. I shall also have a letter handed to the conductor asking him to prevent Juan's leaving the train at any point.

He states emphatically that he was not responsible for the girl's trouble, but from the way he has conducted himself during the past three or four months, I have very little faith

in his word. I gave him permission to go to his home for the purpose of helping his father last summer, and I understand from his brother here that he gave his father no assistance. He was paying ardent attention, while he was under the Outing, to a girl who lives in Mechanicsburg, Pa., and who, as far as I know, comes from a good family. He wanted to go there before leaving for the west, and I refused him permission. I feel obliged to write to this girl's parents so that she may not be taken advantage of.

I hope this young man gets to Wichita and that the matter is satisfactorily adjusted."

Very truly yours,

Dear Jaun:

You no doubt know my condition by now.
I wrote you several letters but received no answer.
I never knew I was in a family way until the week before X mas.
Of course it made me feel pretty blue to think I had gone out there among strangers and found myself that way.
I haden't the heart to write to anyone, not even you, after you did not answer my letters.
When I found this out of course I could not stay any longer at Whiteriver. I left there on the 2nd of Jan. and have been in Wichita with my brother and wife ever since.
I have looked for you every day, but only in vain.
Now Jaun I had always intended to marry you, would have done so then had I have known I was this way. I certainly think you care something for me.
If for nothing else you aught to come and give your own child a name.
Will await your decision in Wichita. Hoping it will be satisfactory and that I may see you soon I think I would be happy once more.

Yours as ever,

FLORENCE B.

Mr. W. M. Peterson,
Supt., The Fort Apache Indian School,
Whiteriver, Ariz.

Dear Mr. Peterson:

The information you conveyed to me in your letter of January the 28th contains facts that are to be deplored, and it seems that there is nothing more that can be done except to make an effort to protect the girl at Mechanicsburg, Pennsylvania, who had come under Herrera's influence. A copy of your letter is being forwarded to the father of the girl so that he can use it as may seem best.

Regretting that our efforts to aid Miss Bartholomeau were thwarted in spite of everything that had been done, I remain,

Very truly yours,

HKM. Superintendent.

Mr. M. Friedman,

Superintendent Carlisle Indian School,

Carlisle, Pa..

Dear Mr. Friedman:

I regret to say that Juan Herrera refused to marry Miss Bartholomeau when he arrived in Wichita and it seems as if the law protects him in his course. He had consulted a lawyer before coming to see her and, on his refusal to do what he could to right the great wrong he had done her, her brother also went to an attorney who assured him there was nothing that could be done, both parties being Indians. Another instance of where some more Indian legislation is needed.

I trust you will see that Herrera gets nothing more from the Government and the the girl about whom you wrote learns of his conduct. I hope, too, that you can tell the proper person in the Indian Office when you have an opportunity.

Very sincerely yours,

W. M. Peterson,

Superintendent.

My dear Sir:

I submit below for your information a copy of a letter that has just been received from Superintendent Peterson of the Fort Apache Indian School at Whiteriver, Arizona, in regard to Juan Herrera's action in the matter that was brought to your attention last month. I submit it to you direct so that you can decide whether it is advisable to let your daughter know the facts.

Mr. Juan M. Herrera,

Dear Friend:

I was greatly surprised when I came to look up your record here at Carlisle to find that you have been in trouble of such a nature as to make it almost impossible to justify your employment in an Indian boarding school and especially at Carlisle. You of course know what this trouble was and I shall not rehearse it here. I hope you will find employment and get along well but you can easily see how inconsistent it would be for you to be given a position at Carlisle in view of your record as that would practically put the stamp of approval upon your conduct or, at least, it would be neglecting to put the stamp of disapproval upon it which every superintendent must do if he is to hold up to the young men and young women in the school the right example.

With best wishes for your future success and happiness, I remain

Very sincerely,

Dear Sir:-

I have your letter of the 9th inst relative to Juan M. Herrara, an Indian, who has made application for a position in your company.

Juan was a student here from January 1910 to January 1914. He had a good record while a student and was a splendid workman. He worked in the plumbing department connected with our school and for a year or more worked with Mr. W. N. Hall, one of our town electricians.

Juan is faithful and conscientious and I think will do well in an y work he has to do.

Trusting that this is the information you want,
