Mr. Bert Miller,

Gresham, Wis., Box 111.

Dear Friend:

I have your letter asking me to help you get into the Ford factory and have to advise that you write to Mr. Dagenette, Supervisor of Indian Employment, Washington, D. C., about your wishes. Mr. Dagenette is getting work for some Indian boys and men in other automobile factories and he may be able to help you. We already have more applications to enter the Ford factory than we can take care of. If you return to the school to take the preparatory course which we have here you would likely have to wait two years before you could get in.

Very truly yours,

D./B.

Superintendent.

Mr. O. H. Lipps,  
Carlisle,  
Pa.

Dear Sir,

Here comes another  
letter from one of Carlisle's  
old students.

I left Carlisle to  
play professional base-  
ball and here I am after  
a few years working in  
the lumber woods. While  
it is an honorable

occupation and I am getting  
along alright I wish for  
something better. I feel as  
if, after the opportunities  
I have had I should  
strive for something  
better. I am young and  
perhaps have a long and  
useful life before me  
and I wish to ask if  
you can help me to  
something better. I  
would like to get into  
the Ford factory. Could  
you help me in any

I have had a good reputation since leaving school and can furnish plenty of references if necessary. Do you think it worth while to help me? I only want a chance and if you will give me your help to get a job in the Ford factory or somewhere where I can have a chance for advancement I'll guarantee to make

good.

Will you kindly answer  
this letter and tell me  
how to get a job there?

I remain

Yours very respectfully,

Bert Miller,
