After being with my people for seven years and being careful to act and do as, I was taught at dear old Carlisle, and being asked, to take the Governments school for a period of time or untill a teacher could be installed, and all of my people seemed to want myself in the position I was asked to take a teachers examination and failed. But I am not discouraged yet, for I shall try it again, next year.

I am sorry I can not name many of our pupils who are doing extra work of my people are much inclined to drink
