M. Friedman;

Dear friend;

I will take
pleasure in writing to
you this morning. I
am getting along fine
same as ever. We had
a little snow fall here on 24th
of this month but it soon
gone, I will subscribe
for the "Arrow" soon as
I can. I expect to come
east this fall. I have been
busy working on a building
since two months now.

Yours Resp'y.

Dear Friend:

I received your letter sometime ago, and I was very glad to hear from you. I am still getting along alright, and enjoying the best of health at present. I am trying to live up to Carlisle standard, but I wish I had a more better education than what I have now. I regretted it very much as I was not fully educated, it's all my own fault, I didn't realize it then that education will be a great benefit to me in the future. I am sorry I didn't make much use of my school life when I attended the Carlisle School. I spent most of my school term on the farms. I thank Carlisle very much for what it has done for me. I wish I could come back to Carlisle, and renew my old acquaintances. I always ^{look} interested when I received letters from the school.

I must come to a close with best wishes from your friend.

Dear Friend:—

I will take the pleasure in writing to you this morning. I am getting along alright and enjoying the best of health. At present time I am now working here at this Agency, and I am getting along fine with my work, but furthermore if I need any assistance I wish you would recommend me in the future. I have been staying home doing any special work there, I am glad that I came to Rosebud. I am not working on any trade, but I am working around here, we have just

got done putting ice for the
Agency people. the weather was
just fine to put up ice this time
of the year. There's quite a few
Indians left for Washington
as delegates a few days ago.

I could not get along without
Charles. I must come to a close
with my best wishes and
regards I am your friend.

Mr. Thos. J. Irons,

No. 122, Kilgore, Nebraska.

My dear Friend:

Upon receipt of your letter of September the 1st, I submitted it to Mr. Henderson at the Cherokee Agency in North Carolina. He has sent me a reply as follows:

"I have your letter of the 4th inst., transmitting the letter of Thomas J. Irons to you in which he says that Rudolph Arcorngge paid me one dollar on a debt he owed Thomas Irons. In answer to this I will say that Rudolph Arcorngge did not pay me any money belonging to Thomas Irons, neither did Thomas Crow Necklace pay me any money belonging to the said Thomas Irons.

I trust that you will inform Thomas Irons as to what I say with reference to the matter."

Very truly yours,

HKM.

Superintendent.

Dear man,

Dear Friend;

I will take ^{us} pleasure
in writing to you in re-
gards to one thing which
I would like to find out.

Just before I left school
I send in a note to James
Henderson who was our
Disciplinarian at the
time to collect a dollar
from Rudolf Acornge
and Thomas Crow Necklace
but Mr Henderson said
anything about it.

A few days I met Rudolf
Acornge and asked him
about this money, he
claimed that Mr Henderson

any when it
day, of course
didn't say much
it, while Henderson
not there, I thought I
write this you might
know something about
it, if not I will not
repeat it because it
past. I am getting
along alright and en-
joying the best of health
hope the same to you.

I will close with my
best wishes, I am
your friend,
Thomas J. Irons.

Dear friend Thomas:

I was pleased to receive your letter of the 30th of January, to which was attached the report of your record during the month of January. I notice that the report is very favorable in every way, and it is gratifying to know that you are making the best possible use of your opportunities. Since you are without any definite home or any near relatives to whom you can look for aid it is especially necessary that you prepare yourself to make your own way when your school days are over. The better work you will do now the better you will be prepared to stand alone when you go to work for yourself.

There is now not a better school anywhere for the training of Indian boys and girls, or where you will be given more sympathetic help than here at Carlisle, and as so many other young men and women have been trained and helped here it should encourage you to do all the better work for yourself. You have probably learned by this time that it is your own cooperation and your own effort that gives your friends here the grater opportunity to give you help, and I want to

Thomas Irons.

hear during the remaining months of this term that your are
continuing to do good work. Assuring you that you have my best
wishes, I am,

Dear Friend;

As I haven't any one

We are getting ready for our

started to take Indian club drills
this week and we hope we
would be in shape when the

Dear friend;

I will now write and tell you of my experience out here in the west. We are still having a cold weather and it been snowing for the last few days at present we have few inches deep of snow. I safely arrived here on Mar 10. and ^{found} everything satisfactory, and also seen that there has been some improvements in the Indian homes, they are now living like their white brothers. I am enjoying the best of health, I expect to return east in the fall where I can find work on the farm, I certainly like to work on the farm. I must now close with good wishes I am.
