Mr. Michael Jacob,

New Bridge, New York.

My dear Sir:

I was pleased to receive the record blank you returned to me some time ago and to learn that you have been doing very well since you left Carlisle. Any young man who works steadily and saves only a part of his wages shows a purpose that will win him many friends and will be a recommendation wherever he goes.

Our records show that you are now beyond the age at which students may be enrolled at Carlisle, but at any time you can arrange to visit us here you will be welcome.

Extending best wishes for continued success and prosperity, I remain,

Very truly yours,

HKM.

Superintendent.
