Dear Supt:

"With the season's greetings and best wishes for a Happy and prosperous New Year."

I take the pleasure of writing a letter telling you the useful opportunity I have obtained from "Old Carlisle" as a printer which I am now earning my living, as I have written before to one of the officials telling that I have charge of the Printing Department for a large company in Niagara Falls, and also being respected by citizens of this City, Why? Because I am an ex-student of Carlisle. Now to compare if I hadn't been to Carlisle I would be in the woods chopping for six shillings a day, but as I am now working inside nice white collar on and clothes and getting good salary. I expect to spend a few day there this summer during my two weeks vacation.

Please have Mr. Miller my old reliable boss
to send me a sample copy of "Red Man".

Yours Very Truly

Stanley Johnson.

Stanley Johnson, an ex-student of Carlisle, who is living at Niagara Falls, N. Y., in a letter to Mr. E. K. Miller, says: "I feel it is my duty to show my appreciation of what the school has done for me. The experience I had in the line of printing during the period of my term there has lead me to become a successful printer. I am running a printing shop for a large company here in which they do their own printing. Furthermore, I expect to open a printing shop of my own in this city in the near future."

Dear Sir:-

It is my custom to write from time to time and report how I am getting along in this world. I take great pleasure in informing you that I am a shipping clerk for the New York Central Freight House at Niagara Falls. No doubt you realize what a responsible position that is to hold, this is mainly due to the excellent training I received at "Old Carlisle." And also being popular because I hail from an Indian College which they hear and read so much about.

I managed a popular local base ball club called the Ramblers last summer and won the Western New York Amateur Championships, winning nineteen games out of twenty-one games played, which also includes some professional teams we played.

If you will kindly notify the printing department to have my address changed to N. Y. C. Freight House and send me a copy of your "Red Man." Respectfully Yours
Stanley John
