Febr. 12th, 1916.

Mr. Guy Patterson,

Vanessa, Ontario, Canada.

My dear Friend:

This is to acknowledge receipt of your favor of the 9th instant and to state that under a separate cover a copy of our latest catalogue is being mailed to you. With the catalogue I am having copies of this month's two issues of the ARROW mailed to you as you requested.

Referring further to your letter, this is to inform you that General Pratt is now at the home of one of his daughters in California. He was with us in May of last year at our Commencement exercises and presented the class of 1915 with diplomas.

Very truly yours,

HKM.

Superintendent.
