It is not what a man gets, but what a man is and we get out of life just what we put into it. The world has for us just what we have for it some time less.

12. Tell me anything else of interest connected with your life.

I believed -
I am about finishing up according
my health. I left Carlisle in 1900.
And the reason I left Carlisle because
young men are called up to fight
the Spaniards. The Uncle Sam called
for volunteers, I am one - that
answered the called, I realized
the condition I was in, just the kind
a man the Uncle wanted:

I don't know myself -
What do I owe my times, to my
country to my neighbors and
to my friends? I think I have
done my duty as American citizen.
I am satisfied even if I lost my health.
I have done my part that others
might live happy and comfortable.
