Miss Aneva Buck,

1326 O'Farroll St., San Francisco.

My dear Friend:

Mrs. Denny referred your letter of the 15th instant to me and I have noted that part of it in which you recommend Miss Alma Herman for enrolment at Carlisle. On Monday of this week a letter was received from Miss Herman direct, but I have had to inform her that she should first apply for enrolment at the Salem School at Chemawa, Oregon, or the Sherman Institute at Riverside, California.

If it cannot be arranged, however, to enroll Miss Herman at either of the schools named I will gladly submit to the Commissioner of Indian Affairs a full justification of her need of aid from the Government to continue her education.

We are especially well prepared at Carlisle to give training in Nursing and so located that the special training in the larger city hospitals can be arranged for girls who show special qualifications.

It is hoped that your friend can become enrolled in one of the schools named above and that both of you will not hesitate to let me hear from you if I can be of service in any other way.

Very truly yours,

HKM.

Superintendent.

Mrs. N. R. Denny,  
Carlisle, Pa.

My dear Mrs. Denny:

Mrs. Denny, a friend of mine asked me to write to you and find out whether she would be permitted to enter Carlisle as a student. She is an Indian girl and belongs to the Poma tribe of California. She is very ambitious and studious. She is very musical and promising in every way. She says she wants to take up nurse training in the hospital, school teaching and music, especially.

## II

he had never been to any government school. She would like to know if the government would afford to pay her <sup>her</sup> fare. If not, she says she is willing to save her own money and pay her own transportation.

Mrs. Penny, I certainly think that if the superintendent permits her as a student he would have a fine pupil. She is very anxious to advance her self to able to earn her living better after she finishes. I hope that he will let her enter Carlisle as a pupil.

- now she is wanting  
private family

So

I think that

I should have taken a special  
course of some kind when I  
was in school, so that I  
could make my living more  
comfortably and easily. I  
have been working in the  
private families since I  
left school and I am getting  
tired of it now. Housework is  
hard work and there is only  
a little money at the end of  
the month. Unless a girl is  
really born for that work for  
permanence there is a lot  
change and no success  
coming in the future.

s. Penny, I want to thank you too for sending the address I wanted. It was very kind of you to sent it immediately. I also want to thank you for putting my address in the "Carlsle Arrow," because it brought me some letters from my old classmates and school mates thru it.

I thank you Mrs. Penny much.

I think I shall come to a close now. Hoping that you are well.

Sincerely

Anna Beck.

P.S. This Indian girl's name is Anna Herman and she lives

works at 1898 Geary Street,  
San Francisco, California.

I told her to write to the  
superintendent, but she  
wanted me write to you too  
and you being one of the old  
old students, she thought  
she could enter more easily  
on that account.

My dear Mr. Friedman:

The Indian Office

ordered me to send the application blank for appointment to you.

I have filled it out and answered the questions as perfectly as I could.

I am trying to get a position in the Indian Service. I am one of the returned students of Carlisle. I hope that I may get in.

I shall send the whole material for you to read that was sent in the letter to me. I think the office wishes a further information of my record while I was at Carlisle.

Though I do not know you personally, but I have always

man on the arrow and  
Indian Craftsman".

Being a returned student of  
Carlisle I think I'll just say that:

I have been working hard  
for myself since I left the school.

Life is no joke, life is doing some-  
thing. Life is composed of joy, hard-  
ships ~~and~~ sincerity and earnestness.

I have thought of writing a few  
words many times, telling you how  
I am getting along but I have put  
off till some other time each time.

I have a nice place to stay and  
getting along very nicely.

Hoping that you are all well.

Sincerely,  
Aneva Buck

Miss Aneva Buck,

My dear Friend:

I take pleasure in stating that your application for appointment to a position in the Indian School Service is going forward approved. I attach hereto a copy of the letter I am addressing to the Office. You will also find enclosed the letter you submitted me for my information.

The letter you wrote to me is of interest and it is gratifying to know that you have been enabled to do the better because of the training you received while you were enrolled at Carlisle. Many similar encouraging reports have come to us since the opening of this new year.

It is hoped you will receive your appointment to a desirable position in the Service. Let us hear from you when you are located, so that we can keep in touch with you and with what you are doing.

Very truly yours,

HKM.

Superintendent.

Supt. M. Friedman  
Carlisle, Pa.

Dear Mr. Friedman:

Will you please pardon me for not answering your first letter you wrote? I am awfully sorry that I was so careless and slow in doing this.

It is not because that I have no heart for what Carlisle has done for me, for I am one of the most loyal students of dear old Carlisle. Every good thing I do or may do I'll

always will say that's what  
Carlisle had done for me.  
I am so glad that I have  
been to Carlisle and long  
may Carlisle be as long as  
the sun reigns. Carlisle  
is dear to us all who have  
been there and it was  
through all its employees  
who were so loving that  
we learned to appreciate  
that which is good for us.  
I am staying with Miss Barr  
who used to be a nurse there.  
I am having a grand  
vacation.

I think I had better  
close now as time is  
drawing fast.

With my heartiest  
regards and sincerest  
wishes for dear Carlisle  
Long may Carlisle be.

I remain, Yours lovingly  
Anna Buck.

My dear Mrs. Denny:

Mrs. Denny, will you please kindly send me Miss Fannie Peter's address if you know where she lives? You know she was my first teacher at Carlisle and I want to write to her very badly. I have lots news to tell her. Some how I lost track of her.

Well, how are you Mrs. Denny  
and how is the School? I  
would love to visit dear  
old Carlisle sometime.

I love the climate of  
California. The sunshine is  
glorious here. Everything is  
beautiful here to make you  
feel happy.

Hoping that you are all  
well and happy.

Very sincerely,

Anne Buck

Appointment.

FEB -8 1913

Miss Aneva Buck,

1257 W. 47th St.,

Los Angeles, Cal.

Madam:

Answering your letter of January 27, you are informed that before you would be eligible for appointment as Assistant Matron at a salary of more than \$300 a year, it will be necessary for you to pass a noncompetitive examination, which the Civil Service Commission has been asked to grant you to take place at Los Angeles under the direction of the Postmaster. However, Indians are eligible for appointment as laundress and cook without examination.

You should fill out and return the enclosed Indian applicant blank through the Superintendent of the Carlisle School, in order to complete the record in your case.

Respectfully,

(Signed) C. F. Hauke

Acting Commissioner.
