My dear Friend:

I am anxious to secure later information regarding you than that now on file here with our records, and so I enclose a card upon which such information can be given conveniently.

Just as soon as I receive your address I will arrange to have it placed on our list of complimentary subscriptions to the ARROW and you can then keep in touch with your former acquaintances as they are mentioned from time to time in the ARROW.

I would also thank you to let me know the present address of your sister Irene and of any other former students who are not now receiving the ARROW.

Very truly yours,

HKM.

Superintendent.
