Dear friend:-

Dear Sir:-

Do your school

still print paper if so how much
is it a year. I would like to hear from
the school I have not heard from there
for a long time. I use to be there I left
there 1906. My name was Katie Shepard
I have a home now living in Katalla
and have nice little girl and boy.
My name is Mrs. B. H. Durkee now.
I often think about Carlisle and wish
I could hear from there. Is there a
girl by the name of Marie Mac. Cloud.
I use to know a lots of the girls and boys
but I lost track of them all. Love to all
who I know there or who may know
me. Hope you will answer soon.

Mrs. Katie Shephard Durkee
Kotzebue, Alaska.
Dear friend:-

Our letter files show that it has been a long time since we have had a letter from you. I was glad to hear from you and to know that you have a comfortable home and a nice little family. I hope we may hear from you again and that you will tell us more about yourself and family and your work.

If you are still interested in your old school and want to hear from it occasionally, I will place your name on the Arrow list so you can hear from us each week. The Arrow is the name of the little paper which is published each week here. This year I am having the paper sent free of charge to all graduates and ex-students.

We hear quite frequently from Marie McCloud who is at present teaching among her people at Kotzebue, Alaska.

With best wishes to you, I am

Your friend

Superintendent.
