Dear Friend Hill:

Your letter of the seventeenth instant has been received, and it is noted therein that you could not arrange to begin your work in the Fort Motor Company's factory in Detroit. However, at this time there seem to be no vacancies in the students' course in which boys from this school begin their work. There is also at this time no definite assurance that additional places will be available in the near future. As a number of boys now here at the school are on the waiting list, the best that can be done at this time is to put your letter on file.

Very truly yours,

HKM:SR

Dear Sir.

I am turning to you for a great favor if it is obtainable. I would like to be recommended to the Fort Factory at Detroit. If your recommendation is given I will endeavor sincerely to take advantage of the opportunity that will be given me. I had the chance to go there last winter when I was there but I could not go all due to the disability of my folks as you will remember I had to have and come home. But I have it all arranged so that I can go. If I will be required to enroll I will be willing to do so. I will comply with any rule that I will be obliged to. my reputation as a good behavior is of the highest standard. I can be highly recommended from prominent men from this locality as a good behavior. Hoping to hear from you soon regarding my request. I remain as a ex student Robert Hill.

### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
