Miss Mary E. Ayers,

Roddey, South Carolina.

My dear Friend:

I was pleased to receive such a long and interesting letter from you and to hear about some of the students who were formerly enrolled here. I am also pleased to know that you have recovered from the recent indisposition you reported.

We are having a very pleasant school year and there have been enrolled since July the 1st more than three hundred new students. The work of the school is going along quite as usual and we are hoping to have this the best year Carlisle has ever had.

The Miss Hawk who was formerly a teacher here has been a teacher in Alaska since the time you left. It has been reported to me, however, that she is now visiting in this state.

Hoping that you will make rapid progress in your public school work this winter and that you will decide to re-

Febr. 21st, 1913.

Miss Mary B. Ayers,

Box 53, R. F. D., Hoddey, S. C.

My dear Friend:

I was pleased to receive your letter of February the 16th and to know that you are such a help to your father in making a home for your brothers and sisters who are younger than you are. It is to be regretted that you could not continue with your school work, but the fact that you are doing the required work at home will give you training too and the satisfaction besides of having done your duty toward your father and the others at your home.

Replying to your inquiry this is to inform you that the Miss Gaither who was Girls' Outing Agent has gone to the Chemawa Indian School at Chemawa, Oregon. The Miss Gaither who was the Girls' Matron has gone to the Indian School at Phoenix, Arizona.

Hoping that this will find you well and that we will receive other letters from you, I am,

Sincerely your friend,

HKM.

Indian School,
Carlisle, Pa.

Dear Sir,

I take my pencil with great pleasure to write you a few lines to let the dear old Carlisle people hear from me once more in my life. I am well and hope you are the same. There have been school here this winter but I did not go I told my father that I could not go back to Carlisle I would not go to school. Will you take any body under ~~15~~ 15 years old at the school, I would love to get back at the school but I papa said he was getting to old for me to go that far off.

I wanted to be remember by all of the people at the school. Is Mrs. Schare there yet send her address if she has there and if she give her my best love.

I sure like the people I know at Dear old
Carlisle, I am the oldest child papa has
got Starling and he said that could
not go as far as Carlisle till he did and
I could go if I wanted to, I dont like to
stay down here at all and if it waster
for papa I would not stay he has got
3 younger children at home and one grandchild
one boy will be 13 years old, and one is
years old, and his grandchild four years
old, on 14 of this month, and a little girl 8
years old, and I am seventeen years old and
he said I would have to help all after the
other childrens.

Well I must close.

Mary E. Ayers
