INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mrs. Almon Dennis
Zwolle, Ia.

My dear Mrs. Dennis:-

I have your letter and have referred that part relating to the Arrow to Mr. Brown who has charge of the School Print Shop. We do not publish the Arrow during the summer months. Perhaps this is the reason why you have not been getting any.

I regret that we cannot help you to get an Indian suit. Not long ago, we had a similar request for a costume and I made inquiry at the Girls' quarters then but could not get any. Why don't you write to one of the old pupils now on a reservation? When Cecilia Matlock of Pawnee, Oklahoma, was here, she had a full costume. She might be willing to lend it to you.

I am always glad to hear from the old pupils and to know how they are getting along. I trust that at any time you have anything of interest to tell us, you will write again.

With my best wishes to you, I am

Very truly yours

Superintendent.

Often Thinks of Her School Days.

Mrs. Canfield has received a letter from Mrs. Laura T. Dennis, formerly Laura Tubbs, an ex-student of Carlisle, now living at Leesville, La. She says, in part: "Of all the pleasant Christmas times I love to remember, my Christmases at Carlisle stand out prominently. They were so full of everything good and pleasant, that Christmas here at home hardly seems natural, it is so quiet. I recently attended a Masonic banquet. The dinner was fine; and the toasts and speeches reminded me of the football banquets at Carlisle. My husband has bought a farm with a fine old Colonial house on it. Sometimes I think I would love to go out there and make a regular little palace out of it; and if we ever do, and I have it like I want it, I want you to come and visit me. We are living in one of our own houses at present, but some day we intend to build a home to our own taste. I would certainly love to be there at Commencement this year, as it will be my dear old classmates that graduate. Now, I want you to make them pretty dresses by my request! See? I would just love to be there to help make them."
