Dear Friend:

I have your letter, and am glad to know that you have work and are trying your best to carry out the teachings of the school here. You are not too old to leave school yet, and at any time you wish to return to Carlisle, and bring any of your brothers and sisters along with you, I shall be glad to hear from you and to arrange transportation for you.

With best wishes, I am

Very truly yours,

Monday

Dear Mr. Friedman.

It is with pleasure
that I try and give
you an ans.

I was so pleased
to get your letter and
the blanks to fill

I will fill as many
spaces as I can as I
have been trying to do
my best since I left
your school.

as you understand
after leaving Carlisle.

I have not been able to attend any school.

but always wished I could return to dear old Carlisle, for I feel there ~~is~~ where I got my start and I know it.

for I have notice girls after returning home who have never been off to any school

It seems as though they don't know how to act

You can imagine for your self Mr Friedman take a gal and buy who has ~~has~~ been around

hear all the time and
 a girl or boy that has
 been to any school
 like Carlisle, Hampton
 you can see the difference.

I myself regret for
 not be able to return
 to school and finish,
 but I am still learning,
 trying to make some-
 thing of myself as I
 want to be.

I can see a great deal
 of improvement during
 that five or six years
 in a way there or dur-
 ing better

I sence my mothers
 death have found
 a family and making
 my home with them
 an during very much
 trying to work a little
 now and then I did all
 I could for my brothers
 and sisters if I could
 only get them to go to
 a school like Carlisle
 If I am able to respect
 to be there next spring
 I try to get there last
 spring but I didnt
 I hope my fathers will
 be alright as I will

5

do the best I can.

I will be glad to
get the barbers papers
will send you a picture
of my self if want.
as I have no others.

I will now close hope
ever thurs is about

I am your friend
