## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Sir:  
My dear Sir:

The enclosed letter from Joseph Mousseau  
of Pine Ridge, S. Dak. I return to you herewith the communication from  
Joseph Mousseau you submitted to me for my information  
with your favor of June the 4th.

As near as it can be determined there is no indica-  
tion at all in Joseph's physical condition that he is  
affected in any way by the summer's heat, but because he  
has not been a desirable student at any time during the  
time he has been enrolled at Carlisle I shall not object  
to his going home at any time the required transportation  
is made available for his use.

Our School Physician reported as follows after he  
had seen Joseph at noon today:

"This boy claims that he suffers  
with headaches during the summer and other-  
wise reacts to the heat. He has practically  
a clean bill of health and appears otherwise  
sound".

Dear Sir:

Replying to your letter of the 25th instant in regard to Joseph Mousseau, will say that the correspondence in this case was all sent to J.J.Boesl, Farmer Allen, S.D. where Joseph resides, with request that the matter be taken up with Joseph's father and inform him that the allotment benefits of the boy could not be used to pay his fare home for vacation as the physician reported him in good health.

This office has not been informed what the father will do in the matter but unless he is able and willing to pay fare home and return, Joseph will have to earn his own way or remain at the school until his term expires.

My dear Sir:

Replying to your letter of November the 23rd, I have to advise that Joe Mousseau is a deserter from this school. Ordinarily we would arrange to have him returned to Carlisle, but because he is now charged with a crime I cannot interest myself in his case until the Law has taken its course. If he is to be released, however, an effort will then have to be made to return him here or to send him to his home. Similar action will be taken in his behalf if he is to be released after he has served the sentence which may have to be imposed.

My dear Sir:- IN RE COMMONWEALTH vs. JOSEPH MOUSSEAU.

Your communication of recent date with check for \$3.94 enclosed. We shall be very glad to accommodate you in this matter and believe it to be the best disposition of the case. The experience the young man has had here, will no doubt teach him a good lesson, and may be keep him from serious trouble in the future.

I have a letter from his father, whom I also notified, and have just advised him that there are \$7.97 costs on the case which will have to be arranged for. It may be you can let us have your check for this amount, when we can start the young man on his way.

My dear Sir:

This is to acknowledge receipt of your favor of November the 26th, advising that Joe Mousseau's release can be effected if it is arranged so that he may return to Carlisle. The proposition seems to be the best for all concerned and so I enclose a check for \$3.94, drawn on Joe's account, with which a ticket for his passage to Carlisle can be secured for his use.

I would suggest that an official connected with your office or with the Borough Police see to it that the check is used for the purpose desired and that Joe be put on a train in care of the train officials. The check requires the signature "Joseph Mousseau" before it is negotiable.

Thanking you for your kind co-operation and assuring you that I will be pleased to reciprocate if an opportunity presents itself, I remain,

Dear Sir:-

Your letter addressed to Harry Bowman, Chief of Hollidaysburg Borough Police, regarding the case of Commonwealth vs. Joe Mousseau, a deserter from your school, has been referred to me.

The crime with which he is charged here is of such a character that if you desire his return to Carlisle, we can arrange for his release. In fact I think that is the best disposition to make of his case.

Kindly advise me if this proposition meets with your approval.

Dear Sir:

A letter received from Joseph Mousseau a pupil of your school is enclosed. The funds of this young man, a warrant for \$50 for allotment benefits, are not available at this date and should not be used by him while in school.

The warrant must be signed by Joseph and must then be deposited and authority asked to expend same. We are instructed to advise each allottee that these funds are to be used to assist in establishing a permanent home and unless in cases of emergency cannot be paid to them for other use.

As soon as the warrant can be deposited it will be sent you for the signature of Joseph and to be returned to this office. We are disappointed in Joseph that he is not able to earn his spending money.

Mr. Louis Mousseau,

My dear Sir:

I regret to advise you that your son Joseph deserted from this school on August the 19th and that he secured the means to purchase his transportation by misrepresenting to one of the business men of Carlisle that he would have a check to be cashed within a very few days. On the strength of that statement it seems that an amount of \$25.00 was advanced him.

Joseph had made a fairly good record during the summer and it was hoped that he had finally decided to make a satisfactory attempt to conduct himself properly. It was evidently only a shrewd scheme to win the opportunity to do worse than ever before.
