Mrs. Clara Ance Finch,

R. F. D. 1, Bellaire, Mich.

My dear Madam:

I have received your letter of recent date and have noted that you would like to come to Carlisle if an opportunity can be given you to do some work or to live here. In reply to your letter I must state that we do not have any positions to offer except those for which appointees are selected by the Office at Washington and that you could not be given permission to reside here at school for as extended a period as that mentioned in your letter.

It is very unfortunate that you and your husband have to give up your farm at this time on account of Mr. Finch's failing health, and it is hoped that the rest you are planning to take will benefit him.

Noting in your letter that your twelve year old boy is anxious to come to Carlisle, I can state that just as soon as he is fourteen years of age I will gladly consider an application for his enrolment. That is the mini-

mun age at which students can be admitted here unless
an older child from the same family is enrolled at the
same time.

Regretting that a more favorable reply could not
be addressed to you, I remain,

Very truly yours,

H.M.

Superintendent.
