Mr Friedman:-

I just wanted to ask you whether you had heard from my sister, Mrs John Almaden - Cynthiadambet

I think I could tell you a great deal more about her home & etc, than she would care to tell you, she has been very successful as a house keeper & manager, if you care to have me, I will write you about her later & I know it would interest you

Merion Lambert Mahn,

Blyn, Wash.

Dear Friend:

I have your letter and will be glad to have another from you telling me more about your sister Cynthia. I am glad to know that you are both getting along well.

Our records show that when you left the school you went to a hospital, but we have not heard much from you since that time. I will be pleased to get a letter from you telling me something about your experience as a nurse. I am getting together information regarding our Indian girls as nurses, and I will be pleased to hear from you soon telling me about yourself.

Very truly yours,

NRD-SJC

Superintendent.
