Remarks:

I wish dear Carlisle and
all the students & employees a
Very Merry Xmas & a happy new year!

From Pryor, Mont., an old-time student writes to Mr. Friedman: "I have done no great deed, nor won great honors for dear Carlisle, but I have tried to live up to the teachings of the great school. I met obstacles and temptations when I came back from Carlisle but I kept up a brave heart and tried to do that which is right. I have been married to John A. Glenn for thirteen years. We have four of the nicest children you ever saw, two boys and two girls, and of evenings they love to sit around me and have me tell them of my school days at Carlisle."—Susan Farwell Glenn.

Mrs. Susie Farwell Glenn
Pryor, Montana.

Dear Madam:-

It is my purpose before long, to issue an Outing number of the Arrow and Red Man. Among other facts concerning the outing, I want very much to publish some expression from the graduates and ex-students as to what the outing meant to them.

I understand you had some experience under the outing while you were a pupil here. Would you be willing to write me a letter giving some of your Carlisle outing experiences and naming some ways in which the outing has been especially helpful to you.

If you can do this, I will be glad to hear from you soon.

Very truly yours

Superintendent.

Mrs. Susan F. Glenn,
Fryer, Montana.

My dear Madam:

This is to acknowledge receipt of your favor of recent date and to advise you that arrangements can be made to enroll the children mentioned therein if applications to cover the transfers are sent to me thru the office of Superintendent Estep of the Crow Agency. Each prospective student must have made such a record as will justify Mr. Estep in recommending him or her for enrolment at Carlisle. Otherwise the enrolment cannot be effected.

The blanks I enclose herewith may be used to submit the applications for consideration and approval.

Regarding payment of your expenses as an escort to the party, this is to state that not less than ten boys and girls would have to be secured before such arrangements could be made.

Let me suggest that you take the entire matter into consideration with Mr. Estep, so that he can advise you how he desires to have you co-operate with his office.

-2- Mrs. Susan F. Glenn, Pryor, Montana.

Assuring you that any help you can give will be appreciated and that I will be pleased to hear in what other I can assist from this end, I am,

Very respectfully,

HKM.

Supervisor in Charge.

Dear Sir:

I rec'd a letter from Carlisle a short time ago, and I want you to know that Carlisle is ever fresh in my memory, and now in my old hard working days I can look back and see, that the best of my years and life were spent there.

I have four children of my own and four of my dead brother's children. I am planning to send four of the children and a neighbor's daughter to Carlisle so I write you this letter to learn the particulars.

I am very anxious that the girls learn to play the piano and I want them to stay three years and if every thing goes all right they will stay longer.

we have good public schools here and
the children are learning fast
but I want them to have the training
that in my mind no other school
but Carlisle can give

Will the Department pay the children
way and will there be any possible
chance for me to take them.

And will there be an opportunity for the
girls to take music lessons.

Awaiting your reply -

I am Very Respy -

Mrs. Susan Farnell Plam.

Mr. Friedman

Supt of Indian School,
Carlisle Pa.

Dear Sir:-

It is true I have at different times received blanks from you requesting me to answer questions pertaining to myself since leaving Carlisle, but when I found there were so few of the questions I could answer, that would be of any account in your great cause. I gave it up. "I have done no great deed, nor won ~~no~~ great honors for dear Carlisle but I have tried to live up to the teachings of the great School.) I met obstacles and temptations when I came back from Carlisle but I kept up a brave heart and tried to do that which was right.

til my husband came to the rescue.
(I have been married to John A. Glenn
for thirteen years.)

"We have four of the nicest children
you ever saw. two boys and two
girls, and of evenings they love
to sit around me and have me
tell them of my school days at
Carlisle."

I was at Carlisle six years and four
months but I did not graduate.

I went to Manchester N. H. to a training
school for nurses, I stayed there
seven months, was doing nicely
when I received a telegram saying
my mother was dying so I came
home.

I have been living on my ranch
ever since I was married, we
bought a deeded land adjoining
my ranch so now we have 320 acres
of land off the reservation and

each of my children are entitled
to 160 acres on the reservation.
we have about 50 head of cattle
and a bunch of horses.

We have a bank account at the
State Bank in Joliet Mont.

We pay up our debts and treat
our white neighbors right so they
respect us.

My husband is employed as a
blacksmith here at this sub Agency
so we have rented our ranch land
we are here,

I have three of my children are
old enough to attend school so I
have been sending them to the
public school at Silesia, they have
never attended any Indian Schools
yet. But I do want to send them
away to some of these larger
Indian School off the reservation
I understand Carlisle does not

accept scholars under thirteen years of age, is this true.

I hope Carlisle is still doing the same good work that it did when Sen Pratt was there, although it is discouraging to see all of these young men and women in the Crow tribe go back to their camp life.

Wishing you all a Happy New Year -

I remain Very Respy -

Susan Farwell Glenn.
