My papers have missed coming for two or three weeks and I am missing them very much. I have been looking for them as anxiously as for letters. I am enclosing you \$2.50 in postage for a year's subscription. I enjoy the paper so much and don't want to miss a copy. I hardly know any one there, only once in a while I see mentioned a name that I remember. I would certainly enjoy a visit to the old school but it is not convenient for me to do so this year. Quite a delegation of Creek Indians are expecting to take a trip to Washington City before long. Oklahoma is in political swine. Nothing of importance besides politics.

is so young again and
go to school up there. The advantages
are better in every way. Your President
Mr. Friedman seems so interested in
his work while I have never seen him
personally. I like him very much and
admire his ways in his official duties.
I hope the school will continue to
prosper even better each year in
my wish.

Respectfully

Mildred M. Entosh, Children

To Mr. Lipps
Carlisle Pa.

Dear Friend:-

This letter is from an entire stranger but I know you are the Indigu's friend so I feel at liberty to write.

I am one of the old returned students. I just received a copy of the Arrow and in looking over contents, I came across a list of my Class mates, Class of 1899, and I felt as though I was among the deceased list as I did not stay and graduate with the class. I returned home

March. Of course I
have attended other
schools since that time
and made up for what
I lost but I should have
appreciated Carlisle diploma.

I am keeping house
and attending to house-
hold duties at present
time. It has been long
time ago that I was
at Carlisle yet I feel
as though I know good
many of the students
that I have read about
and know by name
and their record in
the school work. I have
three children, one boy
and two girls. My son
is at Chillicothe. He is

my engineering.
and he is also a member
of the band; plays
Cornet. The girls go to
school here in town.
They both play the
piano. The larger girl
plays mandolin in
the High School orchestra.

I have been asked
for picture of my
family by former Supt.
but I never had been
able to send one until
this time so I am
sending you one.

We live in this little
town and are supposed
to be its reliable residents.

We are never left out
of any of its uplifting

that is undertaken
by its best citizens. We
are treated while at
all times. I am a member
of a literary club composed
of the best element of
the town. I get very little
rest in way of literary
doings. I had a
missionary meeting
Thursday afternoon two
week and again I
appear on the program
for Sunday night.
My time is always
pretty well filled up.
Well I guess you have
heard enough so I will
close. Wishing success
for your school.

I am
Mrs. Mildred Child

Mrs. Mildred Childers,
Broken Arrow, Okla.

My dear Mrs. Childers:-

Your letter with the photograph of your family has been received and I am verglad to have both. If you do not object I would like to use the photograph and a part of your letter in one of our school publications. I ~~assure~~ ^{id} you have many friends whom you made at Carlisle, who would be glad to hear of you and to know how you are getting along. The Arrow is widely distributed among the return students of Carlisle and I think we could use the photograph very nicely in some future issue of the paper.

With best wishes for your continued success.

Very truly yours,

Acting Superintendent.
