Carlisle I lived with a Protestant Family by the name of Paul van Cleave a son of Gen Van Cleave as the Chief was. I was married at their home at Melrose Montrose

11. Have you done anything for the betterment of your people? Write fully.

I am living up to the training I received at Carlisle and I think it is a good example of what my Indian friends can do after they have received the training at a non Protestant school.

I do not believe in the Reservation boarding school I think that it would be much better to have day school and finish at a school like Carlisle.

I think that they should take children at the age of 12 years at

The non Resistant school
It is the Indian Child of today that
needs the help of the Government
The old Indian will simply live and
die as he is. But the time is coming
when the Indian must be able to
hold his own against the white people
and the school must prepare him for
that time
