Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

I think this is a most excellent home for Winnie and her little one. The atmosphere of the home seems to be truly a Christian one. There are three daughters, the eldest one is about fourteen years old, and these three relieve Winnie of a great deal of the care of her child but Winnie does not plan her work systematically and thus is easily discouraged when the work does not go right. She works for patron only about one-half of her time because she allows the little one to interfere with her in the performance of her duties.

Winnie has a sleeping room upstairs and a small sitting room downstairs where she has her sewing-machine and she is allowed every Thursday and Saturday afternoons for sewing for herself and Little Vera.

Winnie likes her country home very much but is anxious to see her North Dakota home.

Winnie Turtlehead  
Elbowoods, N.D.  
Dear friend:-

I have your letter and am glad to hear from you. I have had many encouraging letters from returned students this winter and I have been pleased with the progress most of them are making.

I note what you say about taking up other work and would suggest that you get into the Indian Service. You have had considerable experience in house-keeping and cooking and I believe could fill a place as cook in one of the Indian Schools. If you wish to take up such work, write to Mr. Charles E. Dagenette, Supervisor of Indian Employment, Denver, Colorado. He will help you to some position, as he has helped several others of our returned students.

Very truly yours

Superintendent.
