Dear Sir:-

I am writing you for what is delaying my Lease money from Supt. and Agent St. J Johnson at Sac and Fox Agency Okla. It's been a week since I was there to see about it. and thought I impressed you strong enough to rush it through.

Did you Telegraph as you said you would?

There was a misunderstanding about the lot business and Mr. Friedman said it was $300. and Mr. Weaver the owner said it was $425.00. Now Emma made a request for the same and only $300 was granted and Mr. Friedman has called off the deal. May be. He thinks that Mr. Weaver and Mr. Rohrer, the Real Estate Agent in Charge are trying to take advantage of me. They are not. It was Understood it was $425.00.

When I bought the house it was $3000 without the lot. and with the lot it was $3400 Now if Mr. Friedman Consumates it in first place We Coues of saves some money on it. Now the trouble is on. And they have a buyer for it and is going to buy it and put up a Dingy store, by me and close me up. The front has already have a pavement and the Cross foot is easily worth $50 and a Carpenter shop that's worth $70 easy.

The Lot is worth the balance.

Mr Vrana ch owner is building for himself and wants ih money immediately. He has held it long. and if you can grant it Wire Mr. Friedman. Hoping to hear from You soon. Please rush ih Lease Money Soon

P.S. I have already stated what use I have ih Lease money for. so therefore don't count my Lease money for ih balance for ih lot.

Funds of
William Nawashe.

Commissioner of Indian Affairs,
Washington, D. C.

Sir:-

Acting upon telegraphic authority above noted, dated October 9, 1912 and in accordance with telegraphic instructions Education-Industries 47378-12 dated January 10, 1913 and Education-Industries 65225-1913 dated May 28, 1913, I have the honor to state that under date of February 2, 1914 I signed and approved check of William Nawashe for the transfer from this jurisdiction to that of Superintendent Friedman of the funds $253.10 derived from the estates of John and Susan Nawashe and belonging to William Nawashe.

Under date of February 10, 1914 Superintendent Friedman returned this check to me with the advice that " William Nawashe has long ago severed his connection with this school. He is married, self supporting and living at Paxtang, a suburb of Harrisburg, Penna."

As Mr. Nawashe's status is no different now from what it was when Office instructions above noted were given me, and as Office instructions were to transfer funds that might accrue to Mr. Nawashe to Superintendent Friedman, UNTIL FURTHER AUTHORIZED no further authority having been received, I am at a loss as to what to do with these funds.

Comm'r ----------

It appears that Mr. [redacted] assistance at the earliest practicable [redacted] tors in Paxtang are after him for debts which he owes. I wire your Office with reference to this matter February 9, 1914.

In order to expedite matters somewhat I am enclosing herewith the check which Mr. Friedman returned for such disposition as the Office may see fit. If Mr. Friedman is to disburse these funds to be forwarded to him, if not to be returned to me.

Very respectfully,

Sir:

I am inclosing check No. 2813, drawn against the account of Emma Newashe in the sum of $300, and approved by the Superintendent of Sac and Fox Indian School. This amount is for the purpose of purchasing a lot that will, it seems, materially increase the value of the property of her brother, William Newashe.

I have given this case careful consideration and it was taken up with William and his sister while in the Office on October 8th. Inasmuch as the purchase, if made, will inure to William's benefit, I believe the title should be taken in his name, and he agrees to reimburse his sister's account at the rate of $100 a year from lease accruals derived from his allotment, under the jurisdiction of the Superintendent of Sac and Fox Indian School, for the amount advanced. You are therefore directed to draw up a satisfactory agreement, and have William sign the same, the provisions of which are to obligate him to reimburse his sister and to authorize you to transfer from his account to the credit of Emma, under supervision, $100 a year, at such

Dear Friend:—

Your letter was received this morning.

I have handed one check to Dr. Phillips and the other you will find enclosed.

Mr. Friedman, while in Washington, it was an understanding that Wm was to pay the $50 semi-annually. He receives his annuity in Dec. or last pay-ment in Dec. or perhaps January and from that time on, he

he has to pay $5 and this you may keep and include in my account which is under your supervision. He was to sign a written statement regarding the payment to which he fully agreed. Please see that that is done and have two copies made in the last one for me and one you keep on your file in case I refer to. In case the lot has been sold, keep this money and place on my account as my schooling now demands it. You understand that the payments are to continue till full payment is made. That debt which I fixed up last spring for him, I do not expect to ever get back but that all right because I guess he has spent that much on me any how.

Getting along finely in my studies.

Miss Emma Newashe,

West Chester, Penna.,

Dear Emma,

I have your letter of the 21st, enclosing signed check for $300.00 the same to apply on purchase of lot for your brother William. It now appears that the purchase price of the lot is $450.00 and William does not have the balance of money necessary to make good. He received a check for $112.70 and paid interest on the mortgage against his property $25.00 leaving him but $87.70. Since he has been sick I suppose he has other obligations and needs that. Would you be willing to pay the balance if properly secured. I could get a judgment note from him for the amount and enter it against his other property if you would desire that. Kindly advise at once what you wish to do and if you want to make up the balance I will send a check for your signature.

Dear friend:—

You will find the check enclosed bearing my signature for Wm's use.

I have had no purpose in neglecting the check but honest I am busy that sometimes I don't know how to turn.

I am sorry that Wm has'nt been well and I hope

the operation will be the cure of his trouble, from the way his letter sounds as if he's been pretty bad.

You can make arrangements as to the money that I loaned to Bill and what ever your arrangement may be, I'll take it. but beside that all is well.

I am studying hard but as the day go by I find the lessons just as hard and sometimes harder. I made 83 in my School Law examination and I was'nt one bit afraid to show it to any one. My first exam.

Well Mr. Friedman, I hope you're well and with best wishes,

October 30th,1912

To the Honorable,

Commissioner of Indian Affairs,

Washington, D.C.

Sir:

Replying to office letter dated the 25th, would say that since William Newashe does not have sufficient funds at his disposal at this time authority is respectfully requested for his sister Emma to expend $125.00 additional making the purchase price in full viz $425.00 for the lot of ground that William desires to purchase.

In view of the fact that William has been sick and unable to earn any money, and that the $112.70 received from his agent was used to pay interest on the mortgage on his property and living expenses, I recommend that Emma his sister be protected with a judgement note to be entered against his property for the entire amount she is advancing.

This deal has been delayed by my understanding that $300.00 was to be consideration in full and that Newashe was probably being imposed upon since he was so eager to buy. Since this is not the case an early reply granting authority as above stated is urged that the deal may be closed.

Respectfully,

W.H.M.

Superintendent.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Newashee, Carlisle Indian.

Newashee, the Carlisle Indian, made his debut at Harrisburg Wednesday in the role of pitcher, after two of his teammates were knocked from the box, and pulled the game out of the fire. The Lancaster pitchers were found for thirteen hits. Score, Harrisburg, 10 ;Lancaster, 5.

This is a portion of the story of the victory told by the Patriot:

"He took hold of things at a bad time and pulled through in fine style and after the third inning was over but one more run was scored off his delivery. The youngster was like both the other pitchers, wild, but he kept his bases on balls scattered. The run in the fifth inning was secured by a single, base on balls, sacrifice and the squeeze play. While he kept things safe through his pitching he caused trouble for the visiting pitcher for he was the one that started things moving in the fifth inning with a two-bagger. Again in the sixth he was first up and singled safely to left field."—Carlisle Evening Sentinel.

Mrs. Anna Stambaugh,

480 North East St., Carlisle.

Madam:

I have been requested to submit a recommendation in regard to your claim that you should be reimbursed in the amount of $150.00 for expenses you incurred in paying for the funeral expenses of your daughter, Mrs. William Newashe. In order that I may have something definite to consider it is respectfully requested that you bring to this office a list of the expenditures you made. I will then do what I can to assist further.

Very respectfully,

HKM.

My dear Sir:

Referring further to the inquiry that is contained in your letter of June 23rd, 1916, this is to advise that earlier this summer William Newashe was playing baseball with an outfit calling itself "Carlisle Indian Base Ball team". The booking manager of the team seems to be Mr. Nat C. Strong, who has an office in the Pullitzer Building in New York City. Newashe can probably be reached if he is addressed in Strong's care.

Very respectfully,

HKM.

Superintendent.

Acting Supt. Carlisle Indian School,

Sir:

In response to a telegram from Inspector Linnen of even date herewith, I am enclosing the check in question. It was returned to me by Supt. Friedman and I had it in the mail to send to the Indian Office with a request that the Office would make proper disposition of it. For your information I enclose a copy of the letter I had written the Office but which it is now unnecessary for me to send.

In this conection your attention is invited to the fact that Mr. Nawashe has had something like six thousand dollars during the past two years some of which, if not much, has been spent in riotous living. My understanding is that of this amount he he has left only an equity in his Paxtang property the value of which is something less than three thousand dollars. He has also used up all he has earned in that time. I do not know how much that is but I do know that during 1912 he was playing Professional Base Ball and had a good salary. Last Fall he and his wife spent several weeks in Oklahoma City living at one of the best hotels in the city. He received a Patent in Fee for one half of his allotment last summer and he now has a mortgage against that of $1495.00, just about all it is worth.

Very Respectfully,

Horace Johnson

Dear Sir:

Your letter of the 18th instant in regard to William Newashe and his wife came to me at noon today, and I now return to you herewith the communication from the latter as you requested.

Only yesterday I had letters from both of them. Newashe desires to come from Detroit, Michigan, to Carlisle to visit his wife if money he expects you to send to this school can be used to provide a ticket for him. I wrote him that you had not forwarded any money here for his use a and to the wife that I should certainly not be in favor of helping to bring him here for any purpose whatsoever if he has gotten so low down as to sell her winter clothing with which to continue with his dissipation.

I have not endeavored to learn the facts in the case, but it appears that Newashe's wife has helped to support him. She is now in desperate circumstances and planning to have the State of Pennsylvania assume the responsibility

of caring for her at the Mont Alto Sanitorium. I do not want to have anything at all to do with the disbursing of Newashe's money unless you believe it advisable to have him contribute to his wife's support. In that event I will co-operate further as you may request by gathering additional information for your consideration or by handling the disbursement thru this office of the amounts you send to be expended for the wife's benefit.

Very respectfully,

HEM. Superintendent.

Sir:

I hand you herewith a letter received by me from Mrs. W. Nawashe, 420 N. E. Street, Carlisle, which I shall be pleased to have you read and return to me with information as to who Mrs. W. Nawashe is and what are the merits of her remarks against William. My understanding is that Mrs. Nawashe is a white woman and from what I have seen of her and from what I have been told about her and her husband, somewhat of an adventuress. I have a small amount of money here which I might transfer to you if William is going to be in your vicinity for any length of time.

Very respectfully,
