My dear Miss DePeltquestangue:-

I have your note of the 6th inst. I shall be very glad to have you come to Carlisle and stay on the school grounds as long as you want to stay. I think we can give you a comfortable room and will try to take good care of you while you are here.

I am surprised that you should have asked for this privilege. I want the old Carlisle boys and girls to feel that they can come back and visit their old home whenever they feel like it.

With kind regards, I am

Very truly yours

Superintendent.

Miss Depeltquestangue, a former employee of this school, with her friend, Miss Carmin, of Cleveland, Ohio, spent several days here last week. They were also among the enthusiastic rooters for Carlisle at the Penn-Indian football game. Miss Depeltquestangue is a former student of this school, having graduated from the nurses' training school of one of the largest hospitals in Cleveland, Ohio, where she is now employed and in charge of one of the largest wards.

Dear Sir:

I am enclosing some literature which will give you a very small idea of the business we are carrying on here in Cleveland.

While my name, as you will see, does not appear in any place I have a third interest in the concern which is doing a good and growing business. There were two reasons for the omission of my name. In the first place it is so long as to be cumbersome and then I felt it had a foreign look, which among the wealthy and well-to-do people to whom we sell (unless I chance to know them personally) would not lend anything.

Our office hours are from 8 A.M. to 5³⁰ P.M. and we are always glad to have our work and goods inspected. Should any of the friends from Carlisle be in Cleveland

at any time, Miss Carman or Miss Doot
will be delighted to show them what we
are doing.

With very kind regards, I am Sir,
Most Cordially Yours,

Estienne M. DePelgrestangue

P.S. Just now we are making ready
to move into larger quarters in this same
building.

Dear Miss DePeltquestangue:

Your letter of April tenth with enclosures has been received. I was very much interested to learn that you are in business, and I am sure that you are thoroughly competent in every way and I hope that you are doing a successful business. I have just referred the literature you mailed to our school physician with a request that in case ~~you~~ should be in need of any of your supplies for our hospital or school, he will give your Company a chance to quote prices.

Should I ever have an opportunity, I will be glad to visit your store in Cleveland, and I hope some time to have the pleasure of seeing you again at Carlisle. With all kind wishes, I remain,

Very truly yours,

Dear Sir,

I regret very very much that I shall be unable to attend the Commencement exercises at Carlisle this year, for I should certainly like to, but circumstances are such that it will be simply impossible.

Thanking you kindly for the invitation and wishing

you all a most enjoyable
Commencement, I am, Sir,

Most Sincerely Yours,

410 E. Main St.,

My dear Mr. Friedman:

I received your Xmas letter some days ago, and I cannot tell you how very much we appreciate the interest you have shown in the students of former years.

There has been no change in my work since I wrote to you a year ago. I am still with Judge and Mrs. Baldwin who are just as nice as ever - which is saying a great deal.

With very best wishes for the New Year, I am,

Sincerely Yours,

Estienne M. DeBellegustangue

Mr. M. Friedman,
Carlisle, Pa.

Dear Sir:

After more than a month of travelling from one address to another - for which there was no excuse - your very nice letter of June 24th reached me today and I hasten to let you know how very much I appreciate the interest you have shown in Carlisle Ex-Students.

I have filled out the blank you sent me and return it herewith as I think you may be interested to know that while I have not distinguished myself in any

when I graduated I made up my mind to save \$800⁰⁰ per year and I have missed it by only a small margin, owing to the fact that my pay in the Hospital was but \$60⁰⁰ per month, but if everything goes well with me I will more than make it up ^{this year} as I have no expenses.

For more than 14 months I have been in Massillon, O. with Mr. & Mrs. F. S. Baldwin (a lawyer and his wife) who are exceptionally nice elderly people and very near and dear friends of the late President and Mrs McKinley and also of Justice Day of the U. S. Supreme Court. They have no children and were I their daughter or a guest in their house, they could not treat me with greater courtesy and kindness, notwithstanding they pay me \$100⁰⁰ every twenty-eight days. We may stop at Carlisle on our way East this fall. and if we do I should like so much to have you meet each other.

It may also please you to know that I was sent as the delegate to represent my school at the National Convention of Nurses held in Boston last year. I really felt very proud of this as ~~our~~ Lakeside Training School has about 300 Alumnae Members all of whom have at least a High School education, while many are graduates of the best Colleges in the Country.

way I am earning a good living and saving some money for the proverbial rainy day."

Nearly a year after leaving Carlisle I entered Lakeside Hospital Training School for Nurses in Cleveland, since which time my life has run along very pleasant lines.

I graduate May 28th 1908 on the honor roll, standing third in my theoretical and first in my practical grades out of a class of thirty members.

After graduating I was for the next two and one half years a member of the Lakeside faculty but at the end of that time I felt the need of a change and rest, so I took up private nursing which I have been doing ever since.

Mr. Friedman, I should like
to ask that no part of my letter
be printed in either of the papers.
at least ^{not} over my name. for while
I am doing fairly well, no one
realizes like myself how much
greater might be my achievements
had I appreciated earlier in
life some of the very vital things
Carlisle taught me - not from an
academic but from a practical
viewpoint.

Trusting that I have not bored
you with this lengthy account
of my doings and thanking
you a again for your interest in us,
I am,

Very sincerely yours,

Estienne M. D'Elpquestangué

Dear Friend:-

I was very glad, indeed, to receive your letter of July twenty-third, enclosing the very excellent record showing how well you utilize your education. I am particularly interested in a life so worthily lived as yours has been, and I hope sometime to have the great pleasure of meeting you personally. When you have the opportunity of stopping over at Carlisle, I hope that you will not miss doing so, as it will prove of interest to you to visit the old place again.

I am sending you some literature of the school which will be of interest to you.

Sincerely your friend,
