9. Tell me anything else of interest connected with your life:

Dear Mr. Friedman,

I told you in my letter last summer that I thought of taking up the nurse training in Los Angeles.

My Father has warned me against the nurse training, so have decided to work as house keeper for awhile, until my Father's plans are running smoothly. Then I expect to better myself.

I would be pleased to get the School-Catalogue, and also the arrow.

Just a year from to-morrow we the last years happy home party journeyed homeward.

yours truly,

Isaac V. Wayman.

Miss Grace V. Wayman,  
Orleans, Cal.

My dear Friend:

Your letter of recent date has been on my desk for sometime as I had hoped to give you a favorable reply to it. However, as our transportation funds for this year are really too limited to justify me in bringing students from California, your brothers and the other boys mentioned by you cannot be admitted unless they pay for their transportation. If they can do that I will be pleased to have them come on any time before the opening of the school year, September 1st.

The blanks I inclose herewith may be filled out, and when they have been properly approved they will be sent on to me by your Superintendent. I hope it can be arranged to give the boys a chance at Carlisle.

I am sorry to know that you have lost your mother, and I extend you my heart felt sympathy in your bereavement.

Assuring you that it will be a pleasure to hear of your continued success, I remain,

Truly your friend,

HKM-GL

Superintendent.

Friedman.

Carlisle Indian School.

Dear Mr. Friedman!

It gives me pleasure in writing you this letter. First place I want to ask you if it would be all right for my Brothers to enter Carlisle this fall? My oldest brother who is younger than myself has had very little schooling in his young age, is very anxious to learn some more, and I am sure he will make good in Foot ball as well as in his studies, I hope so any way. Earl has had hard life working like a grown up man ever since he was 14 years of age. And I think 3 or 5 years or more; if he chooses in school, will do him lots of good. Earl I know would have become some thing if he had gone through more schooling while younger yet. Hatherway my half brother is much younger therefore has more chance to improve

They will make good  
by too anxious to have the  
long at Carlisle hope they should  
like it and not want to come home  
right away. They will be four  
boys from Orleans, two besides  
my two brothers, Benj. Wilder  
who is really one of the brightest  
boys I ever met, as well as the  
cheeriest in character. Henry McClellan  
is the fourth boy. He I am sure  
will turn out for the best,  
and how I wish them all the best  
of success. As far as their plans  
go. They are coming back there some  
time this fall. The government pays  
their fare? and how much is  
the fare? My sister Beulah & I are  
both at home for the summer, we have  
both been working in Southern California.  
We were called home on account of our  
mother's illness, but had to pay the  
fare about a month after we got home.  
Sincerely your friend. Grace V. Hayman.

My dear Mr. Friedman:—

Your good letter found me enjoying many good blessings! I am, "indeed" glad to state, that all the Cal. girls who came home when I did, are yes, quietly earning good honest living. They make up some of the best Citizens.

It is wonderful what the short stay at that Carlisle Indian school can do.

yes, I have had disappointments but nevertheless I have been made stronger, and will stick to what's right always!

I must add, I certainly enjoy reading the little weekly Arrow.

I also received my \$3.<sup>10</sup> interest account. Thanks for your New Year good wish, I am to you and the children at the Institute.

Yours sincerely,  
W. Wagoner.

Kind friend

Your letter of recent  
date received.

Grace Wayman

the pupil in charge  
seems to be perfectly  
contented. Applies herself  
diligently to her studies.  
& is improving in her  
general work.

As far as I can see  
now, I will be satisfied  
you think it wise to  
allow her to remain  
with us for the summer.  
Thanking you for past  
favors & hoping for a  
continuance of your  
kindness. Most respectfully  
an interested <sup>appreciation</sup> patron

Mrs William Gifford

Please excuse blot as I  
have a leaky pen

I honestly believe that  
she is trying hard to  
make something of her-  
self & is heartily ashamed  
of her conduct of which  
I reported. She tells  
me that she was not  
out last summer. She  
has not said what she  
wanted to do this sum-  
mer nor of her plans  
farther than that she  
hoped to train for  
a nurse. I think she  
realizes that I am her  
friend & am trying to  
do all in my power  
for her best interest.

Dear Sir

I wish to say for  
Gracie's <sup>travelling</sup> benefit. that  
we liked her very  
much & was sorry  
to see her leave.

Think she tried quite  
hard to do her best &  
feel that she improved  
<sup>very</sup> much while here.

Her greatest draw  
back was her temper  
which I know she was sorry  
for. Very resph Mrs. W. Gifford.
